DANBY FUN DAY!

Submitted by Andrea Hazard;
additional text by Pamela Goddard and Gay Huddle

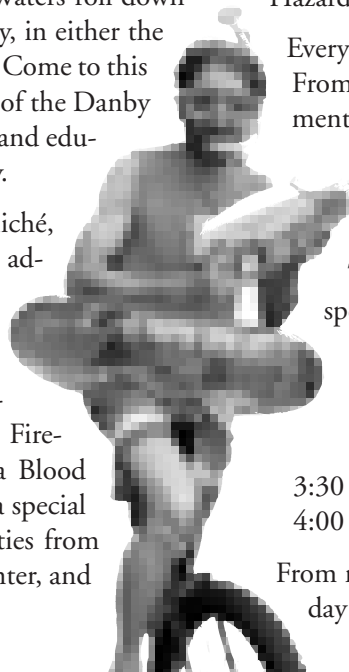

Once again, Danby gathers in mid-July for a day of fun and festivities. The building and grounds of the Danby Fire Station, at 1780 Danby Road (Route 96B), become a community center with activities for the entire family.

Danby Fun Day, Saturday, July 15, 10am–5pm, is a great time to kick back, get to know your neighbors, hear great music, indulge in country fair food, support the fire department, and have fun!

Each year, Danby Fun Day gets a little bigger and a lot better. From the community parade, through the chicken BBQ, to the raffle and auction drawings, this year's event may be the best ever. You can show your support of Danby Fun Day by buying and wearing a commemorative button. *Support Fun Day* buttons are available (\$2) at the Danby Market and at Fun Day. The proceeds will benefit next year's event.

This year's theme is **Water**. Did you know that Danby sits on two major watersheds? Waters roll down the Danby hills and wind up, eventually, in either the Susquehanna or the St. Lawrence rivers. Come to this year's Fun Day and find out which side of the Danby Divide you live on! This and other fun and educational displays will be on hand all day.

"Something for everyone" may be a cliché, but check out this list of activities! In addition to children's games, crafts, and face painting, archery geared to youth will be taught by Flashing Feathers. Bob the Letterman will once again create something unique from your name. Firefighters will demonstrate their skills, a Blood Pressure clinic will be available, there's a special Steam Engine exhibit, hands-on activities from the Cayuga Nature Center, the Sciencenter, and the Museum of the Earth.

Danby Fun Day is also a community White Elephant, craft, bake, and book sale. The Danby Quilters will raffle off a beautiful quilt they have created. Come sell your unwanted treasures and old books, or look for newfound treasures that your neighbors are selling. Bring donated books on the morning of the event.

The Cake Wheel is always a popular event which benefits the Danby Fire Department. Good ideas are brownies, cookies, cakes, pies, and breads. Officer Jeffrey Huddle from the Ithaca Police Department will be running the wheel; he is a kid at heart and as we all know, kids love the cake wheel! Bring goodies to the Fire Station after 5pm on Friday or before 11am on Saturday. Please let Gay Huddle, 607.273.6530, [gayhuddle@hotmail.com] know in advance!

Craft vendors and White Elephant sellers are wanted! There is no vendor fee, and you may keep what you earn, but donations to the fire department are encouraged. Sellers must provide their own setup and remove any unsold items. Vendors, contact Mary Oltz, 607.273.2950, [marlomo@aol.com]; Elephant owners contact Andrea Hazard, 607.272.8791, [ahazard@twcny.rr.com].

Everyone will enjoy a full afternoon of food and music. From Noon (until it's gone), the Danby Fire Department will cook up heaps of its famous Chicken BBQ, along with Hot Dogs, Hamburgers, French Fries, Fried Dough, Ice Cream, Cotton Candy, and Popcorn.

The all-day happenings are complemented by a special performances during the day, including:

- 10:30 The Parade! (see page 6 for info)
- Noon Children's Music by John Simon
- 1:15 Music by the Crane Hill Trio
- 2:30 Music by the Flunk School
- 3:30 Drawing for Auction and Raffles
- 4:00 Music by the Hound Dogs

From morning to late afternoon, July 15th will be a full day of fun! Don't miss it! ❀

DANBY TOWN HISTORY

Submitted by Joan Grant, Town Historian

Tompkins County was formed from parts of Cayuga and Seneca counties on April 17, 1817. Three towns were annexed from Tioga county on March 22, 1822, and a portion was ceded to Schuyler county in 1854.

It lies around the head of Cayuga Lake, SW of the center of the State, is centrally distant 141 miles from Albany, and contains 506 square miles. Its surface consists principally of an upland, broken by a series of ridges extending North and South.

The watershed between Cayuga Lake and the Tioughnioga River occupies the eastern border, and that between the same lake and Susquehanna River the southern. The deep Cayuga Lake valley, 700 ft. below the ridge summits, separates the northern portion into two distinct parts. The eastern portion, declining toward the north, gradually loses its hilly character and spreads out into the rolling lands of Central NY. West of the lake the land does not lessen in height within the limits of the county; but the rough, broken hills change into smooth ridges, with long, gradual slopes.

Danby was formed from Spencer (Tioga county) on February 22, 1811 and transferred to Tompkins county on March 22, 1822. Part of Caroline was annexed April 29, 1839, and a part was ceded to Dryden in 1856.

It lies near the center of the south border of the county. Its surface is broken by ranges of hills extending north and south, 300 to 400 ft. above the valley. Their summits are rounded and their declivities generally steep. The valleys are mere ravines. The principal streams are Cayuga Inlet, flowing north, and numerous small streams, the latter being tributaries either to this or to Owego Creek. The soil is a mixed gravelly and shaly loam, with occasional patches of clay and is well adapted to grazing.

Danby in the north part, contains 3 churches and 50 houses; Beers Settlement (South Danby) near the center, about 12 houses. West Danby is near the west border. The first settlers were Yapple, Dumond, Beers, and Judson in 1797. The first settlers of West Danby were Hogg and Baker. The first church (Congregational) was formed in 1807; Rev. Loring was the first pastor. There are 8 churches in the town, 3 M.E., 2 Bap., Cong., Prot. E., and Swedenborgian.

The Danby Farmers' Market wants farmers and vendors! If you have fresh produce or other local goods and would like to participate in our very own local Farmers' Market, we would love to talk with you. Baked goods, crafts, seedlings, potted plants; if it's local it's good.

Come sell alongside Danby youth who manage the market as a summer employees or as volunteers. Or, if you don't have time to join us on Thursdays from 3-6pm, maybe selling on consignment would work for you.

JENNINGS POND OPEN FOR THE SEASON!

Submitted by Amy Cusimano, Pond Director

Jennings Pond will open for the 2006 swim season June 30th. Life Guards will be on duty Sun-Thu, Noon–7pm, and on Friday and Saturday, Noon–8pm.

There is still an opening for a lifeguard; certified, minimum 18 years old. This is a great job for an at-home college student. Please contact me at 272.4634 or [amymc@twcny.rr.com].

Some Danby residents may not know of Jennings Pond. The Pond is located off of Bald Hill Road and is considered part of Buttermilk Park, a State Park supervised by the NYS Parks Department. The town of Danby has a contract with the NYS Parks Department to operate Jennings Pond on a seasonal basis.

Each year it takes volunteer hours to clean the park. The most important part is the dredging of the pond (sea) weed. This is done by taking a 6-foot-long, heavy iron bar out into the depths and dropping it in. After it sinks and becomes entangled in weeds, it is pulled out of the water. The weeds are removed from the bar and the process is repeated over, and over, and over. The dredging, alone, is a huge job and, because of the mild winter, the weed was nice and thick this year.

As is required at all State Parks, Jennings Pond undergoes a thorough inspection by the Department of Environmental Health and a weekly water test.

I would like to extend a big, “Thank You!” to Jim Bond and his crew from the Probation Department. They worked four days in hot humid weather to get the dredging done. I would also like to thank Betsy and Ethan Bibbie, Scott Kozak, and Mason Cusimano for helping with this project. ❀

FREE FAMILY PROGRAMS FOR THE DANBY COMMUNITY!

Submitted by Dan Klein, Danby Community Council

These family programs have been designed to appeal to youth of just about any age. Adults are welcome to join us for all programs. Participation is free!

Everything happens on Tuesday evenings, from about 7–8:30pm, at Jennings Pond, just off Bald Hill Road.

July 11: **Wild animals.** Come explore the animal life of Jennings Pond. We'll be trying to catch some interesting critters as well as taking a look at some recently collected specimens. Nets and guidebooks will be provided.

July 18: **Paper Making.** Take a look at how recycled paper gets made. We'll be mixing up scrap paper in blenders and creating our own paperwork. Whatever you make, you get to take home.

July 25: **Scavenger Hunt and Adventure Challenge.** We'll divide you up into teams and send you off. You'll learn a little bit about the pond, our local history, and practice your survival skills. Solve the challenge to find hidden prizes around the pond.

August 1: **Vespertillion Juggling.** Come be entertained by the Vespertillion Juggling Show and then learn how to juggle yourself.

August 8: **Ice Cream Making.** Bring your extra energy 'cause it takes a lot of hand power to make the fantastic frozen stuff. We'll also try out some alternative ice cream makers and see how they hold up.

These programs are made possible through funding from the Danby Community Council. They're open to the Danby Community—and everybody else! For more information, call Dan Klein, 272.7582. ❀
