## SUCCESS AT DANBY FUN DAY!

Submitted by Sue Beeners

On July 15, the Danby Fun Day, Parade, and Barbecue were all a rousing success!

This year's theme of Water was echoed in parade floats with boats, waterfalls, and the Highway Department water truck, in displays showing the major watersheds that run through Danby, in duck pond games, and in fire hose practices. During the morning, the weather contributed liquid sunshine to the theme...but the spirits of all were not dampened and sun came out for the rest of the day.

The Parade had forty one entries. Rick Dobson graciously allowed parade line-up at Danby Motors, and the West Danby fire police did a smooth job of traffic control.

New this year was display with a collection of almost 100 photographs and maps showing the *Lost Settlement* of Bald Hill and Michigan Hollow. It showed many homes and farms that were abandoned or demolished as part of the 1930's Resettlement Program and State Forest acquisition.

There's still time to buy a button to help support the Fun Day and Parade! Visit the Danby Market and the Town Hall; along with the buttons, you'll find a Map Folio of four historical and current Danby maps.

Many thanks to the volunteers who helped with this event! We are already looking for more volunteers to help plan next year's event. Contact:

## DANBY FIRE DISTRICT APPLIES FOR GRANT

Submitted by Bea Hogben

The Danby Fire District has applied for a 2006 Federal Emergency Management Agency (FEMA) Assistance to Firefighters Grant. In recent years, FEMA has offered this funding opportunity to aid fire departments nationwide.

During 2004, the District applied for and was awarded \$79,000 to replace our 15+ year old self-contained breathing apparatus (SCBA) with newer, safer, more reliable SCBA, and to buy a thermal imaging camera to aid in fire fighting and victim location when visibility is poor. During 2005, the District again applied for a FEMA grant and received \$13,859 dedicated to in-house training for all our volunteers. The District had a 25% chance of being awarded a grant and we were thrilled to be recipients twice in a row.

This year, we are reaching for the stars. We are requesting \$385,000 for a new rescue-pumper truck. This truck will replace an engine-tanker built in 1989 and housed at the Danby Fire Station. This 17-year old vehicle has a commercial chassis, a double clutch standard transmission, and is no longer compliant with safety features required by today's standards according to the National Fire Protection Agency.

We propose to replace our engine-tanker with a safer fire truck that has features to support our ability to protect lives and property. We researched this truck by considering current and future needs as our community grows, along with visits to area fire departments that own similar rescue-pumpers. We also discussed specifications with representatives of three major emergency vehicle manufacturers to learn what features are available.

## DANBY FUN DAY THANKS!

Submitted by Sharon Gaden

The Danby Volunteer Fire Company would like to thank everyone who participated in Danby Fun Day held July 15. Planning for Fun Day started a year ago, right after the 2005 Fun Day, and we are thankful to so many people who worked hard to make this year such a success.

Fun Day is definitely growing! One focus this year was the Chinese Auction. We were apprehensive when we asked for donations, but the outpouring of giving was jaw-dropping. Items for the auction were donated by businesses and individuals from the immediate and surrounding communities.

Coal, gravel, oil changes, hair care products, toys, bird seed, restaurant gift certificates. The list was extensive and there was something for everyone. All items were displayed during the auction and tickets were sold for \$1 each. The idea was to fill in your name on a ticket and put the ticket (or tickets!) in the Chinese takeout container of the item that you hoped to get. At the end of the auction a drawing was held for each item to determine who it was going home with. There were lots of lucky winners and all proceeds from ticket sales benefit the Danby Volunteer Fire Company and will be used for equipment, training materials, and basic building maintenance needs.

The Danby Volunteer Fire Company would like to extend a heartfelt thank you to the following businesses and individuals who provided donations: AC Moore, Agway-Tru Value, Alichia Hatch, Arthur J. Hollenbeck & Son, Autosalvage of Ithaca, Inc., Autozone, Bangs Ambulance, Ben Weitsman & Son, Inc., Benn Conger Inn, Big Al's/Manley's Mighty Mart, Bloom's Sewing & Tailoring, Boat Yard Grill, Borders, Cayuga Nature Center, CNY Book Auctions, Contented Country, Corning Museum of Glass, Cost Cutters, Dandy Mart, Denise Haskins, Dicks Sporting Goods, Double Aught, DP Dough, Eastern Mountain Sports, Ed Ripic, Eddy Advertising Service, Fay's Fitness, Inc., Finish Line Automotive, Flax Designs, FYE, Garth Towing, Gertrude Hawk, Glenwood Pines, Glenwood Trucking, Gold Screen Printing, Grandma's Kitchen, Grant's Plants, Greek Peak, Hanger Theater, Highland Farms Boarding Kennel and Store, Hillendale Golf Course, Hillside Return Bottle & Can Redemption Center, H.L. Robinson Sand & Gravel, Inc., Hollybrook Golf Course, Home Central, ICS Press, Iron Kettle Farm, It's The Pits, Italian Carry Out, Jerome Fire Company, JD Concrete Pumping Service, Inc., Joe's Restaurant,

Thanks also to Jessica Remais-Sager for obtaining restaurant donations, Beatrice Hogben and John Gaden for picking up donations, Gordon McNeil for obtaining many donations outside of Tompkins County, Ted Merritt for use of his tent to house the auction items. Brenda Veasey, Susan Hogben, and Becky, Courtney, and Aaron McNeil for helping the day of the auction. We especially want to thank everyone who attended Fun Day for your support! ❀

### Fire District Grant — continued from front page

FEMA grants have a very generous cost share requirement. If awarded the \$385,000 grant, FEMA will pay 95% and the District is required to pay only 5%. To put it simply, we would get a \$385,000 fire truck for \$19,250!

The grant application was submitted in April and grants are awarded throughout the end of the year. If awarded the grant, we will have one year to have the truck custom built. Without this award, the District will need to consider investing in the refurbishment of our aging engine, a cost estimated to be in excess of \$100,000 due to the condition of the standard transmission and body rust.

The eight trucks in our fleet range from six to thirty two years old, with an average age of 17.4 years; the two engines are 16 and 17 years old. Obtaining this FEMA grant will help us replace an aged vehicle from our fleet at very low cost, so please keep your fingers crossed that the fire district will obtain this grant. ❀

## GROUND BREAKING AT THE DANBY FEDERATED CHURCH

Submitted by Janet Gray

After eight years of planning, Danby Federated Church's *Project Faith* Building Project has entered an exciting new phase. We have a plan, a project, a contract, and will soon be breaking ground for the new addition!

On July 5, we signed a contract with Sunny Brook Builders. We expect project completion around November 1, 2006. The ground breaking ceremony takes place at the Church on Sunday, July 30, at 11:30am, with dish-to-pass Fellowship Dinner to follow. We hope that you will participate in this historic event.

This project will provide an additional 2500 square feet, including five classrooms and an expanded kitchen annex, for Church programs. This is a turnkey project with only minor construction tasks to be done by the congregation.

Thanks to the generosity of members, friends and family, we have over half of the funds needed in hand; the remainder is filled by open pledges remaining from our pledge drive two years ago and by \$20,000 in support that we received from the Triad Foundation. It is particularly heartening to have received this kind of support from the community.

If you have questions, contact the church, 272.1687. ❀

# DANBY TOWN TALK

Submitted by Gay Huddle, Ithaca Journal Correspondent

Danby Fun Day 2006 sure lived up to its name!

Thank you to all the folks who donated baked goods to the cake wheel and to Jeff Huddle for running the wheel.

It was, as the song says, "A hot time in the old town," both fun-wise and weather-wise! And wasn't it appropriate that it rained just a bit on that terrific parade to remind us of its theme, *Water!*

As a Danby neighbor, I'd like to thank the hard-working Fun Day committee for putting together such a great community day.

Friendly reminder: send me your vacation stories and pictures for my Danby Town Talk column, grilling ideas, gardening tips, listings of events, and any "historical" stories about Danby that you would like to share. Remember, I only *write* the column...I *need* your help making it interesting! Thanks.
