

# DANBY AREA NEWS

## DANBY FUN DAY, 2015

**When:** Saturday, July 11, 2015  
**Where:** Danby Fire Station, 1780 Danby Road  
 Celebrate 32 years of fun at our annual Danby Fun Day. The fun begins at 10am with the lineup for the parade. A float need be no larger than a small trailer towed by a tractor or four-wheeler. Every kid, young and old, wants to be in a parade—here's your chance! The parade will kick off at 10:30am.

There will be games, games, games galore, face painting, a cake wheel, a Chinese auction, more than you could ever hope to do. We will have craft vendors from all over the area. There will also be other educational exhibits, fire safety information, firefighting exhibitions, and more!

## NATURAL HISTORY SERIES: DANBY MOTH NIGHT

Submitted by Bill Evans, Community Council

Moth mania is back! The Danby Community Council, as part of its Natural History of Danby series, is sponsoring an evening of moth watching at Upper Buttermilk Falls State Park at 8pm on Friday, July 3.

The evening will begin with a presentation titled *Natural History of the Moths of New York State* by Dr. Jason Dombroskie, Manager of the Cornell University Insect Collection and Coordinator of the Insect Diagnostic Lab at Cornell.

This intimate journey into the hidden lives of moths and their caterpillars will look at some of the amazing species right in your own backyard. Some of these moths take medicine and can bubble poison from their necks, produce perfume that can be smelled from over a mile away, or can jam bat echolocation. We will also learn about caterpillars with gills, stinky tentacles, and horns that squirt acid, as well as ones that throw their feces, and others that live inside regurgitated owl pellets.

Dr. Dombroskie's presentation will take place in the pavilion of Upper Buttermilk Falls State Park. Afterward, at about 9pm, we will head out into the park around the pavilion to view moths attracted to black lights. A least four black light stations will be set up within view of the parking lot near the park entrance.

Moth watching will be open until about midnight and we expect to see more than 100 species, including some of the large silk moths—they may be as big as your hand. This will be a great opportunity to get digital photos of

## LAST CALL FOR VAN POOL

This is the last call for anyone potentially interested in being involved in a vanpool that will go from West Danby to Ithaca, once a day each way, five days a week.

The cost will be very low, comparable to bus fare. We are at the point where if we don't get a few more people, we probably won't be able to offer the service. If interested, contact Dan Klein, [danbydan@hotmail.com] or 607.272.7582.

**Submission Guidelines:** Before submitting an item for the Danby News, please have a look at the *Submission Guidelines*. You can request them by Email from the editor at [danbynews@tedcrane.com] or find them in their temporary location at [danbyny.org/DanbyNews]. If you're thinking of sending something for publication in the Danby News, there's

two documents to read: the *Guidelines* and the *Submission Guidelines*.

You'll learn what is, and isn't acceptable material for publication. If it's acceptable, we'll make an effort to include it; *generally, we print everything we receive!* You'll find hints about how to prepare a submission. Following these guidelines makes the editing and layout easier.

A terse version of these guidelines is in the left-hand column of this page. ❁

## TOWN CLERK'S DESKTOP

Submitted by Pamela Goddard, Town Clerk

Among the many “hats” that I wear as Town Clerk, one of the most important and challenging can be that of Public Information Officer. I am honored to serve in this role for the Town of Danby.

Last year at this time I wrote that Danby generally has very few town-wide, or even neighborhood-wide emergency situations. Sadly, Danby has been much more challenged since then, with dramatic situations on

Hornbrook and Nelson Roads. In recent years, Danby has been lucky to avoid major natural disasters such as devastating ice storms, forest fires, or toxic waste spills. And yet, we know that these things can also strike without warning...such as the tornado which roared through part of Danby in 2011.

Thanks to the Tompkins County Department of Emergency Response, I have been able to take part in several intensive training sessions during my time as Town Clerk. I have learned the skills needed to help provide clear and consistent in-

formation in the case of an emergency situation. During an emergency, getting the right information to the right people at the right time helps us all make the right decisions. Making the informed and rational decisions can be a matter of life and death...or it may “simply” protect property and calm fears.

We have learned that each situation is different. Learning from difficult situations, such as the Cady standoff on Hornbrook Road, helps us all to do better in the future. Hopefully, we will all be able to benefit from the lessons learned through an after-action technical review of the incident by the Federal Bureau of Justice Assistance National Training and Technical Assistance

## FUN DAY: CHINESE AUCTION

Would you like to donate an item, basket, or gift certificate? Are you crafty and would like to make something?

There is a Children's Chinese auction too—the little ones love to win, there are numerous ideas for a “basket” for a child to win!

All donations greatly appreciated. We can pick up donations or, if you prefer, arrange for a place and time for you to drop them off. ❧

Center. It is my hope that when such a system needs to go into place for a future emergency, we will be better equipped with the strategies needed to maintain and build community relations.

In June the Town Clerk's office will be open 10am-5pm Monday, Tuesday, Wednesday, and Friday. We are closed on Sundays, Thursdays, and Saturdays through Labor Day. Special hours may be arranged by appointment. You can always reach us at 607.277.4788 or [[townclerk@townofdanbyny.org](mailto:townclerk@townofdanbyny.org)].

Spring is has finally arrived! In celebration, not only is the candy bowl will be filled with chocolate kisses, but there are fresh flowers blooming at the Town Hall entrance and in vases on the Town Clerk's counter.

Questions? Call 607.277.4788 or send Email to [[pgoddard@townofdanbyny.org](mailto:pgoddard@townofdanbyny.org)]. ❧

## UNITY HOUSE: AN OPEN LETTER TO THE TOWN OF DANBY:

Monday, May 18, 2015

The citizens of Danby have been engaged in emotional discussions with Unity House for the past two months regarding the agency's purchase and imminent opening of a home on Nelson Road for three men with disabilities. Two of the three men scheduled to live at 168 Nelson Road are on the sex offender registry.

After thoughtful consideration of many factors, including the concerns of the Danby community, Unity House's needs, and the welfare and safety of the home's proposed residents and the staff, Unity House has determined that it will move two alternate men into the house on or about June 1. None of the three residents are registered sexual offenders.

It is Unity House's intention, as it has been from the start, to be good neighbors in Danby. It was repeatedly asserted at town hall meetings that Danby citizens would welcome individuals with developmental disabilities, just not sex offenders. In that spirit, Unity House looks forward to developing neighborly relations on Nelson Road and throughout Danby, as we have at our other locations in central New York over the past 38 years.

Sincerely, Liz Smith  
 Unity House Executive Director  
 315.253.6227.x320  
 [[lsmith@unityhouse.com](mailto:lsmith@unityhouse.com)]

## DANBY FIRE DISTRICT UPDATE

Submitted by Edward Kokkelenberg, Fire Commissioner

Danby Fire District has applied for a grant to help fund the purchase of a new tank truck capable of rapidly delivering 3000 gallons of water to a fire. The current draft specs call for a truck similar to one pictured. These new tankers (new is necessary to conform to many standards and grant requirements) cost upward of \$330,000.

Having ample water at a fire scene has always been important but is becoming even more critical for several reasons. The first is that the plastic-based materials used in modern construction, both new and remodeling, are often highly inflammable with high heat release upon combustion. The second is that modern, open-floor plans are unable to contain or isolate fires. The third is the modest number of trained interior firefighters and their modern travel distances to the fire. A fourth is that newer fire fighting techniques use a “surround and drown” method requiring large volumes of water.

Factors necessitating rapid ample tanker service specific to Danby include limited hydrant service--concentrated in West Danby—and scattered homes and small businesses on private well water. While ponds exist, few are readily accessible—near roads—and all too often are unavailable in winter weather. The exception is Jennings Pond, which has a dry hydrant and is used to refill tankers during emergencies.

The tanker we plan to replace is 40 years old and is located in the Danby station. While impressive looking, it is slow on the hills and has a difficult-to-shift manual ten speed gear box. A second tanker is located in the West Danby Fire station. While it is a 1999 truck with a 2000 gallon capacity, it is eighteen to twenty minutes of steep unpaved roads away from the Town of Danby proper.

Mutual aid is problematic at the start of a call. The four closest mutual aid departments are either twenty minutes travel time away from Danby town center, or not equipped with tankers. To reach Danby, two of the four have to climb considerable hills over narrow tertiary roads with considerable grades.

We hope to hear from the granting agency soon regarding this major piece of apparatus. ❀

## COUNTY LEGISLATURE UPDATE

Submitted by Dan Klein, County Legislator

Recently I wrote about the ‘Sparkler Law’ and I wanted to give you an update. In the end, the Legislature voted, 7 to 6, to continue to keep sparklers illegal in Tompkins County. I voted against the law because I heard from the Danby Fire Department, the West Danby Fire Department, as well as many other fire and EMS organizations in the County, all of whom came out against the law. They pointed out that a small but real number of children will get burned and blinded by these products, and their storage by businesses and individuals poses a hidden threat to firefighters.

In the end I decided that the firefighters know more about this than I do, that I respect and admire their volunteer efforts for our communities, and that I wanted to support them in this way.

As a small side note, the same night we voted on the sparkler law, we authorized seven million dollars in spending on eleven different capital projects. I have heard quite a bit about the sparkler vote from individuals and the media. Not one person has commented to me on any one of those seven million dollars.

On a more serious note, I have a few updates concerning the SWAT team incident that occurred in Danby in December and January. Many residents of Danby have continued to ask for an outside look at the events that happened. In April, with the Sheriff’s ‘blessing’, the County decided to get an outside independent evaluation. The evaluation will cover not only the SWAT incident itself, but also some of what led up to it, including things like the mental health system in the County, Drug Court, how we issue warrants, etc. In my mind, the purpose of this outside evaluation is not to cast blame. It is to see if there are things that we could be doing better and to try to bring some resolution to this issue that has deeply divided residents here. Stay tuned for more updates.

Also related to the SWAT incident, there was a list of questions generated by residents of Danby and also by the Danby Town Board back in February. We received the Sheriff’s Department’s response to those questions and released it to the press, where it was given ‘front page’ coverage. If you missed them, you can contact me, [danbydan@hotmail.com] or 607.272.7582, and I will get you a copy. ❀

## SUPERVISOR'S UPDATE

Submitted by Ric Dietrich, Town Supervisor

This month I would like to introduce you to our new Town employees.

As you may or may not know, Matt Cooper has left us to pursue his education and our go-to person for planning and strategic initiatives, Sue Beeners, is retiring.

These two people have been at the forefront of our zoning and code enforcement, and are the general go-to persons for all the projects the Town has engaged in over these past many years. They have been wonderful to work with and will be sorely missed.

We have been blessed though with finding two extremely competent and resourceful individuals—CJ Randall and Paul Hanson—who will be wonderful assets for our Town. CJ has been hired as a half-time planner, while Paul will spend full time on code and enforcement issues.

The Town of Danby has had more visibility in the press, recently, than it has had for the past several years combined. It's almost as though the word "Danby" has been on front pages for several months. The stories, however, are constantly evolving.

Since the first of the year, we have been moving ahead on followup to the Hornbook road situation. The questions that Danby has asked have been answered by the Sheriff's Department and released to the news media. In parallel, the County is engaging an independent third party to review the incident.

Nelson Road—Unity House—has also been on the working agenda for some time now. A resolution was reached in mid-May, with Unity House agreeing that only individuals with developmental disabilities will reside at its the Nelson Road location. I believe this solution is within the bounds that our community could live with.

---

## FUN DAY: CAKE WHEEL

The Huddle family will once again this year be coordinating the cake wheel at Danby Fun Day, held on July 11. We will, of course, need donated cakes, pies, cookies, breads, brownies, etc. so please put it on your calendars and thank you! ❀

I have been able to meet with some of you, and I've felt that there is support for this resolution. I would like to request that the signs that appeared in reaction to Unity House's original proposal should be removed and we should do our best to welcome them into our community.

The proposal for commercial development on Gunderman Road is being negotiated as I prepare this update. The developer is trying to define the scope of this project so that it can be returned to the Town for a public hearing.

The same developer is also proposing to buy the Oasis Dance Club on NYS Rt.96B to expand his project; he is appearing before our Planning Board as I write this, so I will fill you in when more information is available.

Time-Warner cable negotiations, quiet for some time now, are back on the agenda this month, and I will fill you in if any new developments manifest themselves.

The much awaited, Broadband build out in Danby will commence in Danby over the summer, I will be updating you on this when I have more information.

All in all, I see a very challenging, but hopefully optimistic, future as we try to put recent frustrations behind us and focus on new and happier projects when they come to our Town.

As always, if there is an issue the Town should address, please contact me, [[supervisor@townofdanbyny.org](mailto:supervisor@townofdanbyny.org)]. ❀

## WEST DANBY YARD SALE DAY —NOT TILL NEXT YEAR!

Submitted by Peter Fraissinet, West Danby Comm. Association

The West Danby Community Association usually hosts a community-wide Yard Sale Day for West Danby (by placing newspaper ads and other announcements, and distributing maps of where the sales are), but this year we're taking a break.

The reason is that participation has dropped off the last few years, and we think perhaps it is too much to expect a big showing annually from such a small community. So we will plan for it in June of next year, and apologies to those who were counting on it happening this year. ❁

---

## FUN DAY: FANTASTIC FOOD

Noon is the start of the famous Danby Fire Department Chicken Barbecue. Chicken, salt potatoes, baked beans, bread, and a drink—what's not to like? On the kitchen side, we'll have hot dogs, hamburgers, sausage, veggie burgers, salt potatoes, popcorn, cotton candy, and more! ❁

---

## EVENTS 'ROUND TOWN

*This column appears monthly, featuring brief descriptions of events—current and upcoming months—around Danby. If you have a non-profit event that the general public is invited to...send a notice to the Danby News!*

### Blood Drive

Red Cross Blood Drive at the DFC, Friday, June 5, 1-6pm. No appointment necessary.

### Rummage Sale

The Women's Fellowship of Danby Federated Church will have a rummage sale on Friday, July 24, 3-7pm and Saturday, July 25, 8am-Noon.

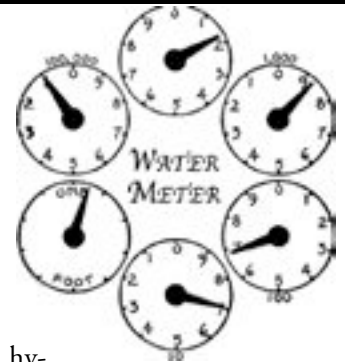

We will accept donations starting on Sunday, July 19, and until Wednesday July 22. Please call Sharon if you need to have things picked up, 607.273.8241. Please, no furniture, clothing, or electronics.

### Sundaes on Wednesday

Starting July 29, Free Ice Cream and a Concert; Wednesdays, 7pm at the DFC. ❁

## WEST DANBY WATER DISTRICT UPDATE

Submitted by Tod Sukontarak

We've done our April fire hydrant flushing and by the time you read this, we will have completed flushing the newly installed terminal hydrants. It's all part of our twice-annual flushing schedule.

Statewide Aquastore will be coming out soon to do its first year inspection of the water tank.

We've had low pressure issues in some of our households and would like to rule out leaks as the cause... without resorting to the expense of calling in one of the big companies. We are researching the feasibility of doing some of our own leak detection to save the expense of hiring it out. ❁

---

### Danby Moth Night, continued from page 1—

Danby's beautiful and intriguing moths.

The Upper Buttermilk Pavilion is adjacent to the parking lot near the park entrance on West King Road. There is no charge for entrance to the park (or parking) after 6pm and restroom facilities are available. And, of course, as with other Community Council presentations, its free!

### Upcoming Natural History Events

#### Moths and Butterflies of Danby

Saturday, July 11, display booth at Danby Fun Day

Bill Evans will display pictures of some of the 750+ species of moths he's photographed at his house on Bald Hill Road over the past decade.

#### Damsels and Dragons: Flies of the Cayuga Lake Area

Sunday, July 19, 3pm Town Hall

Local naturalist and Cornell scientist, Meena Haribal, will give a presentation on the strange and beautiful world of damselflies and dragonflies. Her presentation will be followed by a walk at Jennings Pond looking for a locally rare damselfly called the *Vesper Bluet*.

Jennings Pond is the only known location for this species in Tompkins County. ❁

## DANBY SENIORS UPDATE

Submitted by Margie VanDeMark

The next meeting of the Danby Seniors will be Thursday, June 4, 6pm, for a dish to share dinner at the Danby Church. All seniors 55 and over are welcomed to join us for fellowship.

Thank you to our hosts for May: Bill and Judy Cuyle assisted by Pat Addy and Sunny Ameigh. On July 2, we'll have our annual BBQ at the Oasis at 3pm—BBQ chicken, bring a dish to share, and there will be a band. Signups are required; please call Ted and Connie Merritt, 607.272.3009.

We have no regular meeting in August.

There may still be room on the June 18 bus trip to the Country Music Park and the September 15 trip to Merry-Go-Round theater. Call Nancy Weitzel, 607.272.6570, for information. ❀

## PLANT SOME EXTRA SEEDS!

Submitted by Jeanine Huber

The long winter is over and the garden season has begun! Why not plant some extra seeds and donate your extra produce? Friendship Donations Network's Neighborhood Food Hub is returning to Danby Farms, 222 Bald Hill Road.

Bring your extra fruit, vegetables and eggs (homegrown, from your CSA share, farmer's market, or grocery store) to the donation bin on Wednesdays (July 1-September 30), 8am-8pm. Donations will be distributed by the Danby Food Pantry or, on the weeks the pantry isn't held, to other individuals or Food Pantries in the area.

In 2014, eleven Neighborhood Food Hubs collected over 2,800 pounds of surplus produce, four times as much as the pilot program in 2013! There is at least one Neighborhood Food Hub collection site every day of the week between July 1 and October 1. Other Neighborhood Food Hubs will be located in Newfield, Dryden, Groton and Ithaca. If Wednesdays on Bald Hill Road aren't convenient for you, perhaps a different hub would be better. See a complete listing at [[friendshipdonations.org/hubs/](http://friendshipdonations.org/hubs/)].

Thank you in advance. Together, we can fight hunger in Danby and Tompkins County! ❀

## MOBILE FOOD TRUCK

Submitted by Margie VanDeMark

Sponsored by the Food Bank of the Southern Tier, the mobile food truck provides a variety of food items to anyone needing food. The truck comes to Danby Federated Church on the 4<sup>th</sup> Monday of each month, so the next date is June 22.

The Food Bank is changing the time of its afternoon distributions—now to be at Noon rather than 1pm.

Please bring your own bags or boxes! ❀

## FUN DAY: VOLUNTEER TO HELP

"What can I do to help?" you ask! We need volunteers to help keep our wonderful Fun Day going. Anything you can do, we have a spot for you. Would you like to help with setup or cleanup? Would you like to spend some time running a kids game? Won't you please help out for this community celebration? Contact Barb Robinson [[danbyclown@aol.com](mailto:danbyclown@aol.com)] or call the station at 607.272.8114 and leave a message. ❀

## TOWN TALK

Submitted by Gay Huddle, Ithaca Journal Columnist

Southern Tompkins Town Talk is the place to share your stories. I enjoy hearing about special events, such as graduations and/or awards, weddings, new babies, and more. My column appears each Thursday in the Ithaca Journal.

Please send your stories, along with a picture (in jpeg format) if you would like to, to [[gayhuddle@hotmail.com](mailto:gayhuddle@hotmail.com)] or give me a call at 607.273.6530 for further information. ❀

## FUN DAY: MUSIC

Music! What would Danby Fun Day be without music? There will be music on the lawn on the north side of the station and on the apron near the chicken line. ❀

Danby Fun Day Parade  
What's Your Float Going To Be?

## Community Council Summer Youth Programs

Stay Tuned for Summer Programs!

The Danby Community Council plans to offer summer programs for youth in Danby. The offerings and schedule will be finalized after we have addressed a recent vacancy in our Youth Program Manager position.

Look for an update in the July newsletter. If you'd like to receive updates by Email, please drop a note to [[youthprograms@danbycc.org](mailto:youthprograms@danbycc.org)]. We appreciate hearing from Danby families about your youth program needs and interests.

We look forward to providing summer fun and learning for Danby Youth this summer! ❧

### GIRL SCOUT CAR WASH AND BOTTLE DRIVE

Submitted by Lori Robbins

The Newfield Girl Scouts Service Unit will be holding its Annual Car Wash and Can & Bottle Drive on Saturday, June 13, 10am-2pm, at the Tioga State Bank in Newfield.

Bring your empty returnables and go home with a clean car for a suggested donation of \$5. All proceeds benefit the Newfield Girl Scout Service Unit. ❧

### DANBY COMMUNITY LIBRARY

Submitted by Patti Meyers

Please note that the DCL will be open every Saturday except July 4 and, as usual, on Wednesday afternoons.

Have you read any of Lisa Genova's books? *Still Alice* has been made into a movie and we will soon have it on DVD. She has also written *Left Neglected*, *Love Anthony*, and her newest, *Inside the O'Briens*. We have all of these!

New Juvenile Fiction and NonFiction collections will be available for summer reading.

Congratulations to our volunteers who were recognized for their service by the Tompkins County Public Library and especially to Dawn Parks who contributed over 100 hours! ❧

### JENNINGS POND SWIMMING

Submitted by Mary Ann Kozak, Pond Coordinator

Looking for a quiet beautiful natural place where you can swim with the kids?

Jennings Pond is a 40-acre, serene pond off Bald Hill Road and is also the headwaters of Buttermilk Falls in Ithaca. Danbyites are now enjoying fishing, canoeing and kayaking there.

Swimming will open towards the end of June. We are in need of certified lifeguards. Your certification will be reimbursed to you by the Jennings Pond Swim Program. Contact Amy Cusimano, [[myemail607@gmail.com](mailto:myemail607@gmail.com)], or Mary Ann Kozak, [[mkozak1@tcwny.rr.com](mailto:mkozak1@tcwny.rr.com)] for more information.

Watch the Town sign for our opening date! ❧

### YOUTH GRANTS FROM COMMUNITY COUNCIL

Submitted by Julie Clougherty

Financial assistance for Danby youth, up to age 21, attending activity programs is available. It takes the form of a grant of up to \$100 per youth per year. The Danby Community Council administers these grants, based on funding provided by the United Way and the Town of Danby.

Grants are awarded quarterly for camps, lessons, after-school programs, and more. The deadline is June 15 for programs beginning in July-September.

Families who qualify for free or reduced-price lunch are especially encouraged to apply. For more information and applications, please contact [[youthgrants@danbycc.org](mailto:youthgrants@danbycc.org)]. ❧
