

# DANBY AREA NEWS

## THANK YOU TO ALL FROM THE DANBY VOLUNTEER FIRE COMPANY

The Danby Volunteer Fire Company would like to thank everybody who helped out at Danby Fun Day last month. The event just ended (as of writing this) and the list of those to thank is long. Rather than risk missing someone, we'd rather wait until next month's issue to make sure we include everyone. ❁

## WEST DANBY PICNIC

Submitted by West Danby Community Association

As the calendar turns...round and 'round...we arrive back at the season for Community picnics. Down in West Danby, its annual jamboree is happening at 1pm on Saturday, August 29, in Hatch's Pavilion at the corner of Short and Brown Roads.

There will be music, we hope, and we're lining up a great band for our entertainment. It will be the height of the produce season, so we will all have the opportunity to highlight the best of what we have produced and share our delight in it. *[The dish-to-pass at this event is, IMHO, a predictably scrumptious delight. -Editor]*

The badminton net will be standing, the pavilion protects from both blazing sun and dripping rain, and it's a great time to meet your neighbors! ❁

## WATER AND FIRES

Submitted by Edward Kokkelenberg, Fire Commissioner

Water is the key to fighting fires, be they house fires, chimney fires, brush fires, or vehicle fires. Water cuts off oxygen, which is necessary for almost all but some chemical fires, cools the burning material below its ignition temperature, and cools the hot gases that arise from the fire. Water helps defend nearby vehicles and structures from igniting. And water sprayed ahead of and along side of firefighters, allows the firefighters to advance to the site of the fire and put it out.

Good, aggressive firefighting comes down to putting enough water on a fire to quickly knock it out or control it. It's that simple.

How much water does it take to control a fire? There are several metrics but one the State of Iowa has suggested is to divide the volume of the structure (home, garage, etc.), measured in cubic feet, by 100 to get the gallons of water per minute needed. As an example, if we look at a typical double wide, we calculate that it requires 170 gallons of water per minute to aggressively fight; any less would mean the fire would be fought defensively. The numbers for other types are:

- A large pole barn: over 1500 GPM
- A mid sized barn: 1000 GPM
- A McMansion: 800 to 1000 GPM
- An older farm house: 400 to 600 GPM
- A modest one story home: 100 to 300 GPM

Requirements will, of course vary by floor plans, closed doors, ceiling materials, contents and their flammability, and building materials. We need these gallons per minute for as long as it takes to control and subdue the fire and that, in turn, depends upon many things but chiefly how much of a head start the fire has had before we arrive.

How much water can the Danby Apparatus carry to a fire scene? Because a pumper often needs over 1000 gallons per minute, we bring backup water in

**DANBY NEWS NOTES**

Submitted by Ted Crane

**Submission Guidelines:** Before submitting an item for the Danby News, please have a look at the *Submission Guidelines*. You can request them by Email from the editor at [danbynews@tedcrane.com] or find them in their temporary location at [danbyny.org/DanbyNews]. If you're thinking of sending something for publication in the Danby News, there's

two documents to read: the *Guidelines* and the *Submission Guidelines*.

You'll learn what is, and isn't acceptable material for publication. If it's acceptable, we'll make an effort to include it; *generally, we print everything we receive!* You'll find hints about how to prepare a submission. Following these guidelines makes the editing and layout easier.

A terse version of these guidelines is in the left-hand column of this page. ❁

## TOWN CLERK'S DESKTOP

Submitted by Pamela Goddard, Town Clerk

“... Gonna Get Married...”

As I write this in mid-July, we have not yet issued any marriage licenses during 2015. Could it be that all who wish to be married here in Danby have already done so? For couples who want to have their marriage “on file” in the Town of Danby this year, it’s not too late. No pressure intended. One of the most joyful aspects of my job is the issuance of marriage licenses.

Historically, the Danby’s Town Clerk’s office has issued more marriage licenses in the late summer and fall than we have in spring or early summer. August, September, and October seem to be popular months for getting married. Early Autumn weddings, featuring a brilliant display of seasonal color in the trees, seem more popular here in Central New York than the iconic June wedding.

This summer, four years after New York made marriage valid regardless of whether the persons are of the same or of a different sex, the inclusiveness of all people

who can be married was guaranteed as a legal right by the United States Supreme Court. We expect that there will be marriage licenses to come.

We are happy to issue marriage licenses to all couples ready to, “take the plunge,” whatever the time of year. A couple who intends to be married in New York State may apply for a marriage license with any Town Clerk in the state. Both potential spouses must sign the license application form in person. At least two required forms of identification must be presented—a photo ID and a birth certificate. If you were previously mar-

ried you are required to show proof of how previous marriage(s) ended. Although the marriage license is issued immediately, there is a waiting period of 24 hours before the ceremony may take place. A marriage license is valid for 60 days, beginning the day after the license was issued.

There is a \$40 filing fee that covers both the preliminary license and eventual Certificate of Marriage. The Certificate is issued on receipt of the license paperwork, formalized by the marriage officiant and witnesses. The filing fee is shared by the Town Clerk’s office and the NYS Department of Health in Albany.

Information related to marriage licenses are filed, as part of the permanent record, in the archives of the Town where the license was issued. This is true no matter where the actual marriage ceremony takes place. If you need a transcript of your marriage certificate, contact the Town which issued the license. These are our most secure records. Information filed with a marriage license is sealed for a long time, generally the lifetime of the couple. Access to current marriage records is only available to the persons recorded on the license, their children, or a person who has power of attorney for them.

During August, the Town Clerk’s office will be open 10am-5pm Monday, Tuesday, Wednesday, and Fridays. We are closed on Sundays, Thursdays, and Saturdays through Labor Day. Special hours may be arranged by appointment. You can always reach us by phone, 607.277.4788 or [[townclerk@townofdanby.org](mailto:townclerk@townofdanby.org)].

Summer is here, with all of its unpredictable weather! In celebration, not only is the candy bowl filled with chocolate kisses, but there are fresh flowers blooming at the Town Hall entrance and in vases on the Town Clerk’s counter. ❀

## HORSE SITTER NEEDED

Submitted by Anne Brous

Local Danby horse sitter needed. We have a wonderful neighbor who helps feed the horses when we are away but we would like to have a couple of options to supplement the horse care when they are not available.

It only takes 15-20 minutes for the whole thing. We need people close by so you don’t have to travel too far. If you live anywhere near the Fire House and are interested, contact me at [[anne@ithacabakery.com](mailto:anne@ithacabakery.com)] or 607.273.7110. ❀

## MISSING CATS

### Michigan Hollow Road

*Smokey*, our long-haired grey cat is missing! Last seen on July 12 at 171 Michigan Hollow Road. If seen or captured, please contact Paul, 607.339.8112, or Brian, 607.262.0189.

### Bruce Hill Road

*Austin*, our orange and white tabby striped cat has been missing since July 14. He’s very nice to people but may be scared in the wild. Last seen at 31 Bruce Hill Road. Call Beauty, 814.933.6291 or 814.933.2872. ❀

➤ **Water and Fire, continued from front page**

one or both of our two tankers to the fire scene. Practically speaking, when considering vehicle placement, we can deploy 3000 gallons in Danby and 2000 in West Danby from tankers. This means we can supply our pumper for about three minutes if a large structure is involved. After that we have to travel back to the water source to refill the tanker. Tankers carry a portable pond and dump water into it so the tanker can shuttle back to the water source to refill.

Rural residents for such places as Danby are at risk because we have very limited hydrant capacity, we principally get our water shuttled from Jennings Pond, and we rely on volunteers to arrive and man our 40-year-old underpowered tanker to shuttle water to the fire scene. So depending upon how far from the Pond or the station you dwell, the risk will vary. In general, you need to understand that it takes five to fifteen minutes after we leave the station to arrive with backup water. We can not be at most scenes in less than five minutes. This means we often have to fight defensively trying to contain the fire and protect nearby structures and vehicles.

What is our recent experience? During a structure fire in January 2014, both the Danby pumper and tanker were simultaneously summoned. The structure, a farm house, was located about six miles from the station, up a hilly unpaved snow-packed road. The engine arrived in about ten minutes from the time it left the station; the slower, underpowered tanker about six minutes later. Mutual aid arrived as well, but the structure was lost, partially due to the lack of water early in the fight. We do not want to be in that situation again.

Within the last two years, a nearby department (Owego, NY) lost an officer in a structure fire, partially because of water availability issues. We do not want to be in that situation ever.

Mutual aid, while usually available, is problematic at the start of a call. The four closest mutual aid departments (Brooktondale, Ithaca, Newfield, and Candor) are either twenty minutes travel time away from Danby's town center, or not equipped with tankers. Only

## PLANT PERSON WANTED

Submitted by Joel Gagnon, Conservation Advisory Council

Do you know how to identify native and non-native wild plants? If so, the Danby Conservation Advisory Council could use your help. We're looking for a volunteer to help us inventory Town properties for the management plans we're mandated to write. Time involved should average 2-3 hours per property and can be done whenever you're available. If interested, please contact [[jjgagnon@townofdanbynyny.org](mailto:jjgagnon@townofdanbynyny.org)].

## TOMPKINS COUNTY OPEN DAY

If this were TV news, some pundit would be saying, "40 percent of the best gardens in Tompkins County are in Danby!"

Tompkins County Open Day is happening, 10am-4pm, on Saturday, August 1. On this one day only, you can visit five private gardens. The admission fee, \$7 per garden, benefits the Tompkins County Community Beautification Program and the Garden Conservancy.

The tour features five fabulous gardens, with features such as water elements, shade gardens, edible gardens, themed gardens, a working water wheel, lotus pond and garden art. In addition, local nurseries will be set up at three of the gardens (Gagnon, LaDue, and Myers), selling top quality, locally produced plants!

For more info visit [[ccetompkins.org/opendays](http://ccetompkins.org/opendays)].

- *Gagnon*, 2353 Spencer Road, West Danby
- *Myers*, 1071 Michigan Hollow Road, Danby
- *Suwinski*, 451 Sheffield Road, Ithaca
- *LaDue*, 1132 Snyder Hill Road, Ithaca
- *Ridenour*, 346 Warren Road, Ithaca

one is staffed by a full time professional department and this is the one without tankers, Ithaca. All of the others are staffed by volunteers. Two of these volunteer companies (Brooktondale and Newfield) face steep hill climbs to reach a Danby fire. Further, one of these has a shortage of volunteer tanker drivers.

This would be a good time to check if you have a smoke alarm and to review fire prevention and safety tips. For some tips, visit [[ready.gov/home-fires](http://ready.gov/home-fires)].

It is easier to prevent a fire than to fight one that has started.

## DOTSON PARK SUMMER NEWS

Submitted by Michele Lenhart, DCPA

The Danby Community Park Association's Annual meeting and picnic was a hit! On July 16, the weather was perfect for gathering by the pavilion in Dotson Park and celebrating a great year of entertaining events and financial stability for DCPA. Approximately 20 friends of the park enjoyed good food and great information about park happenings, future plans, and volunteer opportunities. To view the DCPA annual report, visit [[dotsonpark.org](http://dotsonpark.org)].

The highlight of the meeting was when DCPA president Kenny Makosch recognized three special volunteers for their hard work to keep the park going strong. Steve Barber has been a park volunteer for many years. Most recently he agreed to let the park use his tractor for mowing and helped drill the holes where the disc golf baskets were permanently installed. Peter Farley has dedicated so much time to keeping the park and disc golf course in shape--mowing such a large space is no easy job, but such an important one that we all appreciate! Thanks to Julie Clougherty, the park is more financially stable and we are grateful for the time she has spent caring for the trails and front entrance area.

Dotson Park volunteers receive refreshing recognition. L-R: Tom Janda accepting for his wife Julie Clougherty, Peter Farley, Steve Barber

Cutter Cramton and Pat Govang were also recognized for their commitment to building the disc golf course expansion. Gould Colman generously sponsored the awards for these volunteers. We hope they all get to relax and enjoy their new growlers!

After the meeting, folks hung out around the fire, toasted marshmallows, enjoyed some Ithaca brews, and listened to a terrific acoustic performance by Tom D'Ambrose. It was a great event that truly reflected the relaxed and friendly community in Danby.

Several enthusiastic people visited the DCPA table at Fun Day, so it looks like there will be a solid group to start phase 1 of the natural playground. Please note that the August park meeting is canceled, so the next DCPA meeting will be September 17 in the park pavilion. We hope to see you soon in the park! ❀

Several enthusiastic people visited the DCPA table at Fun Day, so it looks like there will be a solid group to start phase 1 of the natural playground. Please note that the August park meeting is canceled, so the next DCPA meeting will be September 17 in the park pavilion. We hope to see you soon in the park! ❀

## SUPERVISOR'S UPDATE

Submitted by Ric Dietrich, Town of Danby Supervisor

To the County leadership, thank you for taking the time to participate in and support our Danby Fun Day parade, All of those people who walked in the parade have helped out Danby in major ways over the years... with our tornados, floods, and more.

County Emergency Management has our back; the County helped us walk through some difficult times with the Hornbook Road standoff and with the Nelson Road garage home.

From Shared Services to the NYS tax cap, from Broadband to the Health Consortium, the County leadership and dedication on behalf of the Town of Danby residents is greatly appreciated: Barbara Lifton, Mike Lane, Beth Harrington, Martha Lynch, Paula Younger, Frank Kruppa, Joe Mareane (our County Administrator), and, of course, our intrepid driver for our parade car, Janet Steiner.

If you have any questions or concerns, contact me at [[supervisor@townofdanbyny.org](mailto:supervisor@townofdanbyny.org)]. ❀

## WEST DANBY WATER DISTRICT UPDATE

Submitted by Tod Sukontarak

We will be doing the second of our twice annual hydrant flushing in August. I hope to do it sometime in the second week on a weekday between 10am and 2pm but weather and work schedules will determine the exact time. Contact me at [[todsukontarak@gmail.com](mailto:todsukontarak@gmail.com)] if you want a notice the night before. ❀

All offices at Danby Town Hall except where noted.

## COUNTY LEGISLATURE UPDATE

Submitted by Dan Klein, County Legislator

I have written several times in the Danby Area News about trying to start a vanpool in West Danby. I am writing today to say that we did not get enough people to sign up and so we are abandoning the idea for now. If your situation changes and you think you could benefit from a Monday through Friday, once-a-day, roundtrip vanpool from West Danby to Ithaca, let me know. If somehow we do get enough interest, we could possibly start it up in the future. But for now, we will have to consider this a good idea at the wrong time.

You can contact me at [danbydan@hotmail.com] or 607.272.7582. ❀

## DANBY SENIORS UPDATE

Submitted by Margie VanDeMark

The next regular meeting of the Danby Seniors will be at 6pm on Thursday, September 3, in the Danby Church. All seniors 55 and over are welcome to come and join. Our dues are \$5.00 per year.

Big thanks go out to Ted and Connie Merritt for hosting our July BBQ...we know how much work goes into set up and cooking all the chicken!

There's no meeting in August but the travel group has a trip to Thousand Islands set for August 20. Call Alice, 607.272.2970, Nancy, 607.272.6590, or Marge, 607.898.2256, for more information. ❀

## EVENTS 'ROUND TOWN

*This column appears monthly, featuring brief descriptions of events—current and upcoming months—around Danby. If you have a non-profit event that the general public is invited to...send a notice to the Danby News!*

### Sundaes on Wednesday

Starting July 29, Free Ice Cream and a Concert; Wednesdays, 7pm at the DFC. Concert Performers:

- 29-Jul: Under Construction
- 05-Aug: Ithaca Concert Band
- 12-Aug: Dorothy Cotton Jubilee Singers
- 19-Aug: Diamond Some Day

### 5<sup>th</sup> Annual Danby Barn Dance

Friday, August 7, in the Great Room at Slow Lane, 888 Comfort Road. Please walk up the (long) driveway. Potluck 6pm, Waltzing 7pm, Contrabands, Squares, and more at 8pm. Beginners welcome, everything taught. Live music (bring your instrument!). Free! Info: 607.342.4109. ❀

## PERSONAL EMERGENCY SYSTEMS

The Tompkins County Office for the Aging is now working with Doyle Medical Monitoring of Rochester NY to offer Personal Emergency Response Systems (PERS) to County residents. The PERS program provides medical alert equipment to individuals who are at risk of falling or other medical emergency, allowing them to live with greater confidence and safety.

Some of the benefits of the improved PERS system include:

- Average response time less than 45 seconds
- UL-rated, compatible w/ most home phones
- Transmitter range of 300-400 feet
- Standard price of \$25/month
- No installation fee
- Automatic monthly payment option
- Installation and service by Office for the Aging staff

For more info, contact Rodney Maine at the Tompkins County Office for the Aging, 607.274.5455. ❀

## FUN DAY THANKS

Submitted by Gay Huddle

Danby Fun Day 2015 was a success! Our cake wheel gave away all the treats baked by neighborhood volunteers. I asked for and received gift certificates and gift baskets from generous area businesses.

Two non-Danby friends donated children's books to the book sale table. And, my pal Geoff Dunn once again joined me as a parade announcer. IPD Office Pat Kim-mich stopped by with his K-9 partner, that handsome police dog, Bert! This event is a true community effort and I thank those who work so hard planning it and all those who participated, including those who attend, for by supporting Danby Fun Day we are able to financially support the Danby Volunteer Fire and Rescue Department, which is so vital to our neighborhood.

Also, the chicken barbecue got rave reviews from everyone I talked with. The chicken was delicious. Special thanks from me to Garry Huddle, Maddi Huddle, Kasey and Ky Spada. These family members of mine always sign up to help with the cake wheel. Danby Fun Day lived up to its name once again this year! ❀

## Community Council Summer Youth Programs

These programs are free of charge for Danby Youth ages 8-14. To register your child for programming, please contact Travis Judd, the Danby Youth Program Manager, 607.272.2292 or [sj144@cornell.edu].

### Floating Classroom

Thursday August 6, 9am

meet at Town Hall (pick up at 4pm)

Learn about the ecology of Cayuga Lake and conduct lab experiments on the lake aboard the MV Haendel. Then head to the park for some summer fun. Bring: lunch, swim suit, and sun protection.

### Never-Ending-Summer Fun

Tuesday, Aug. 25 and Thursday, Aug. 27, 9am-4pm  
at Danby Federated Church

Join Danby Youth Program Manager Travis Judd and other Danby youth for some hometown fun. Possibilities include fly fishing instruction and more collaboration with the Floating Classroom staff at Jennings Pond. Bring a lunch, your bathing suit, and join the fun!

### Girl Ventures (ongoing)

An exciting new year-long program that brings together youth from all over Tompkins County for monthly special events focusing on positive self-image and expanding horizons for future careers. Four girls from Danby currently participate in this year-long program. At press time, these programs were still being developed by our newly hired Youth Program Manager. For program updates, visit [[ccetompkins.org/4-h-youth/rural-youth-services/](http://ccetompkins.org/4-h-youth/rural-youth-services/)] or request info from [[youthprograms@danbycc.org](mailto:youthprograms@danbycc.org)]. ☘

## DANBY YOUTH PROGRAM MANAGER HIRED!

The Danby Community Council is pleased to announce that Travis Judd is our new Youth Program Manager.

Travis may be a familiar face to many of our youth already from his role as the Director of Camp Coddington and its affiliated programs. Travis was able to join our youth on the Floating Classroom field trip in July. He is excited to meet more Danby youth at our second outing with the Floating Classroom in August...and at the end-of-summer programming he will offer before school starts.

The DCC is happy to have such an experienced youth development program manager leading our youth programming. Travis will commence his new role on August 3. Please join us in giving Travis a warm welcome to Danby Youth Programs. ☘

## DANBY COMMUNITY LIBRARY

Submitted by Patti Meyers

Wow! Summer is here and we better enjoy it!

Danby Fun Days have paraded by. *Go Set a Watchman*, the much anticipated novel by Harper Lee is now out and we'll have a copy in the library. We're also looking forward to The Cornell Freshman Read: *Slaughterhouse-Five* by Kurt Vonnegut.

So make a bucket list, come in for a stack of books and enjoy the rest of the summer: it doesn't end until the Autumnal Equinox! ☘

## JENNINGS POND IS SWIMMING!

Submitted by Mary Ann Kozak

Jennings Pond is open for swimming when there is a lifeguard available.

Unfortunately, we only have one lifeguard this year, and he will cover our swimming hours--Noon-7pm, Monday-Thursday and Noon-8pm, Friday and Saturday—as best he can. We are sorry for any inconvenience that this may cause!

If you know of any lifeguards interested in a great summer job, call Amy Cusimano, 607.280.4200, or Mary Ann Kozak, 607.342.7969. ☘

Postal Patron
