

DANBY AREA NEWS

GRANTS RELIEVE TAXPAYERS

Submitted by Ed Kokkelenberg, Fire Commissioner

The Danby Fire District has been awarded two new grants totaling more than \$130,000. FEMA's \$125,000 grant is for new self-contained breathing apparatus or SCBA equipment, our firefighters' protection against the nasty stuff in smoke. A \$7,500 grant from the Triad Foundation is intended for an air compressor to fill the SCBAs.

The Danby Fire District has reinvigorated its efforts to seek grants to provide needed apparatus, equipment, and training to serve the needs of our community. We appreciate any thoughts readers may have on this topic.

The Danby Fire District is comprised of two fire departments, Danby and West Danby, and provides fire and rescue services to our community 24x7 using an all-volunteer force. For more information on volunteering, contact either department chief; West Danby, Scott Wendt, [swendt@danbyfiredistrict.org], or in Danby, John Gaden, [jgaden@danbyfiredistrict.org], or call 607.319.4721. ❀

HAVE YOU SEEN ME?

Submitted by Isabelle Sibley

Ithaca College's Department of Environmental Studies & Sciences is looking for sightings of the American Black Bear.

Previous deforestation of the New York State area has allowed for the eradication of many once common species including the American Black Bear.

Compiling Black Bear sightings will help us to determine the speed of repopulation in Tompkins County. Please help us to understand the status of this species in Danby and around Tompkins County.

To report sightings, contact Jason Hamilton, [jhamilton@ithaca.edu] with the location and time of last bear sighting.

If you see a black bear, don't worry! Interactions with humans are rare. Keep trash cans and open food away from bear-accessible areas. Keeping food out will encourage the presence of bears and consequently put them in danger. ❀

DON'T LET YOUR VEGGIES GROW UP TO BE COMPOST!

Submitted by Jeanine Huber

Have extra produce from your garden or CSA share? Donate it!

If you're anything like me, you get so excited digging in the dirt in the spring, you can't help but to plant more food than you can use. Although composting your vegetables is better than sending them to the

DANBY NEWS NOTES

Submitted by Ted Crane

Submission Guidelines: Before submitting an item for the Danby News, please have a look at the *Submission Guidelines*. You can request them by Email from the editor at [danbynews@tedcrane.com] or find them at [danbyny.org/DanbyNews]. If you’re thinking of sending something for publication in the Danby News, there’s two documents to read: the

Guidelines and the *Submission Guidelines* at the same web location.

You’ll learn what is, and isn’t acceptable material for publication. If it’s acceptable, we’ll make an effort to include it; *generally, we print everything we receive!* You’ll find hints about how to prepare a submission. Following these guidelines makes the editing and layout easier.

A terse version of these guidelines is in the left-hand column of this page. ♣

TOWN CLERK'S DESKTOP

Submitted by Pamela Goddard, Town Clerk

Accessibility

Accessibility can have different meanings in the context of local government. This is especially true in the relationship between accessibility and the Town Clerk's office.

Residents may be looking for access to their elected officials and professional staff, in order to ask questions and express their concerns. There may be a need for access to information and documentation of all kinds. The Town Clerk's office is quite literally the "information booth" for many municipalities, and Danby is no exception.

For those with physical impairments, accessibility can be as basic as their ease and ability to enter a building and use the facilities. We are trying to make our Town Hall as accessible as possible. Plans are being made for alterations to Town Hall, to improve physical accessibility. Our current wheelchair ramp is too steep and does not meet the requirements for public buildings. The route

from the parking lot to an accessible entrance has been problematic, especially because the sidewalk has deteriorated over time.

The Town Board has been, and will be continue to be, discussing improvements. They are carefully considering what these changes will mean for the appearance of our historic building. A public information session will be part of Board meetings in the next month. Residents are encouraged to come, listen, and ask questions.

One of the services offered by the Town Clerks' office is the issuance of hanging tags (for rearview mirrors) to permit use of accessible parking.

For the benefit of our residents, here is a reminder about the process for receiving these parking permit tags. There are two kinds of tags: red for temporary permits and blue for permanent tags. Whether a request is for a temporary or permanent tag, the process starts with a prescription from your doctor or medical provider. This should note the reason for the need and--for temporary permits--an estimated date of recovery. There is also a form that must be completed with basic residence and contact information.

When requesting a renewal, a follow up prescription from the issuing physician is required. It is also recommended for a renewal of a permanent access parking permit. The renewal process can be done by mail but it is faster and easier if done in person. Please note that only one tag is issued and it with the person, not with a vehicle. The permit can be only be used in a vehicle carrying the person to whom it was issued.

People may or may not have noticed a change in the design of these hang tag permits. Last year the NYS Department of Transportation changed the name from "handicap permits" to "accessible permits". The wheelchair icon is now more dynamic and pictures action and ability. The bottom line for permit holders is, they have an injury or condition that makes it harder to move around and it is appropriate for them to have a preferred and reserved parking spot at businesses and municipal locations. That condition may not be obvious to the eye.

As a reminder, the Town Clerk's office is open and accessible (in all meanings of the word) 10am-5pm Monday, Tuesday, Wednesday, and Friday. During summer hours, until early September, we are closed on Thursdays, Saturdays, and Sundays.

You can always reach us by phone, 607.277.4788, and by Email, [townclerk@townofdanbyny.org]. ❁

DANBY COMMUNITY PARK ANNUAL MEETING

Submitted by Julie Clougherty

Wondering what's happening in Dotson Park this summer? Come to the Danby Community Park Association's Annual Meeting and find out!

We will meet on Thursday, July 20, 6-8pm at the pavilion in Dotson Park. Projects on the books for this summer include Phase One of the natural playground, installation of an ice-skating area, expansion of the disc golf course, and more.

The meeting includes a dish-to-pass supper and we welcome everyone to come, dish or not. Dotson Park is *your* park, so we hope to see you there! ❁

DANBY BICENTENNIAL DEDICATION CELEBRATION!

Submitted by Alexandra Pfeifer, Town Co-Historian

On Saturday, August 12, 10am, the Town of Danby will unveil its Bicentennial Sign at Town Hall.

2017 marks the 200th anniversary of Tompkins County, which officially became a county on April 7, 1817. Tompkins County is commemorating this milestone by having new roadside signs, created by the Tompkins County Bicentennial Commission, for the nine towns and the City of Ithaca, as well as for Hector and Covert, two towns that used to be part of the County.

Danby's sign, which is located in front of the Town Hall, is light blue with a dark blue border and looks very dignified from the road. When visiting the Town Hall, make sure you take a look at the inscription.

Sweet Melissa's will be at the ceremony providing free Tompkins Swirl Ice Cream, a limited-time special flavor made especially for the Bicentennial. History and Ice Cream—what could be better?

If you would like more information on the Tompkins County Bicentennial, visit [tc200.org].

Mark your calendars for August 12, 10am, and be a part of history! ❧

DANBY FUN DAY 2017

Danby Fun Day 2017 is not happening in July 2017.

During June, a committee began meeting to plan for an event in the Fall, probably on September 23.

The Fire Department, whose members have been carrying a triple burden for several years—the overall organization, major fundraisers like the food concession and the Chinese Auction, as well as smaller activities—asked for help from the Danby community.

More than a dozen people have stepped forward so far, and the committee is looking for more volunteers. If you can help, please contact [sgaden@danbyfiredepartment.org].

You'll be hearing more about the event in the August and September issues of the Danby News. Keep the date available and get ready for Fall Fun. ❧

WEST DANBY WATER DISTRICT UPDATE

Submitted by Tod Sukontarak, Water Commissioner

The Water District commissioners met on June 14 to discuss several maintenance issues for our infrastructure.

We are now at the 3 year anniversary of having our new water tank installed. The recommended tank inspection and cleaning period is three to five years. During the meeting we all agreed that we prefer to be on the early part of the schedule for the first cleaning, to get an idea of what three years of sediment looks like...before possibly deciding we can go with the five year interval next time. We are now getting the paperwork in order to begin the bidding process.

While at the NYRWA annual conference in Niagara Falls in May, I learned that we should have the well itself inspected and possibly cleaned. We haven't been on a schedule for this at all. Money spent having an inspection even if we are not in need of cleaning will be good investment.

If it turns out that we do need our well cleaned, it can be done during the same visit as the inspection. There are fewer companies that inspect and clean wells (compared to tanks) and we are researching them.

The last infrastructure issue to be addressed this summer is having the roof on the pump house repaired. It is leaking on the west side. ❧

SUPERVISOR'S UPDATE

Submitted by Ric Dietrich, Town of Danby Supervisor

This month I would like to draw your attention to our July Board meetings.

In past issues of the Danby News, I have indicated that the Town Board was reviewing plans for renovations to our Town Hall. Those plans will be presented for approval in July.

The changes to Town Hall will include a new, code-compliant handicapped entrance, and a new door and windows for the "front", east side of the building that faces NYS Rt.96B. Inside the new doorway, improved storage spaces along with fresh paint are being considered for approval.

TINY HOUSES IN DOTSON PARK!

Bluebird Families Need Only Apply

Submitted by Alison Christie, Community Park Association

During the spring of 2016, Danby's Community Council invited local families to participate in bluebird house construction. The resulting fifteen or so houses were to be installed in Danby's Dotson Park.

On a gorgeous, warm, late April afternoon this year, after letting the houses winter over, eleven of the houses were installed in Dotson Park by DCC members and their families. It turns out that birds prefer some 'weathering' of their accommodations before setting up housekeeping.

The next step is the establishment of an official Nestwatch program in Dotson Park. Through this Citizen Science program, Danby families and residents become Nestwatch-certified and will be able to participate in gathering data on nesting events in the boxes. We will organize volunteers to oversee and to participate in this program early next year.

Following a recent bird walk in Dotson Park, local birding guru Bill Evans reported on the DCC's Facebook page that all of the houses were already occupied by...House Wrens. Apparently, the wrens didn't get the memo that these are bluebird boxes. Next time you are strolling in Dotson Park, look for the bluebird boxes and take a careful peek inside.

Contact [dotsonpark@gmail.com] to express your interest in volunteering for this project. ❧

A second, related proposal includes a cleanup and redesign for the "side", north entrance that faces the parking lot (the doors that most people currently use to enter the building).

Your input is important to us, so try to make this meeting on July 10.

I wrote last month that the Solar PV project (on the grounds of the Highway Department, but also serving Town Hall and the Fire Departments, was shovel ready. It still is, but is still stalled pending finalization by the group that is providing up-front financing. Let's try for good news in July!

Culverts, bridges, ditching, and paving, will disrupt some travel in Danby, but I guess you already got that.

A new local law intended to promote the use of smaller Solar PV systems in Danby—and regulate larger, commercial installations—will also be reviewed during July. We've included input from both local residents and the County's Planning Board.

We're beginning the process of creating, proposing, and discussing some changes to our Zoning Ordinance. These have been on the agenda for several Town Board meetings, and will continue to be during the summer and fall. Topics that have been mentioned include the review and possible elimination of our mostly unused Planned Development Zones and the review of our rules for Special Permits. Both of these practices are no longer commonly used in Zoning—and have proved troublesome in Danby.

If you have any questions or concerns, contact me at [supervisor@townofdanbyny.org]. ❧

COUNTY LEGISLATURE UPDATE

Submitted by Dan Klein, Tompkins County Legislator

There are always plenty of big issues going on. Today I'm going to write about some small things I've been working on.

Last month, the County Legislature authorized spending \$10,254 a year to provide public WiFi internet access in four locations in Tompkins County government buildings that are used heavily by the public. Having access to the internet is becoming an expectation in our society. In addition, we encourage people to participate in County government. Increasingly, participating involves access to the internet to look at agendas and supporting documents being discussed at meetings.

Like many things, there were questions to be answered before just flipping a switch to provide public WiFi access. After considering options, we decided to use an outside vendor to provide the service. This provides security to our existing computer network, greater bandwidth than we could easily and reliably provide, minimal input from our already very busy Information Technology staff, and no need for future maintenance or upgrades.

We will soon have login information and rules posted in some County government meeting spaces.

Another non-headline grabber that I have been working on is credit card acceptance by the County. Right now, we do not accept credit card payment for most of our services. We are looking into what it will take for

our financial systems to accommodate this. Also, we are considering several policy questions associated with this upcoming change.

One policy issue has to do with how credit cards work. When you charge your groceries to your credit card, the store is charged a fee by the credit card company. The store passes that cost along to you in the form of higher prices on groceries, regardless of whether or not you pay by credit card.

The County will also get charged this extra fee. By law, we can't pass this extra fee on to everyone as the stores do, so we will likely tack on a surcharge for use of credit cards. There is probably no other way we can accept credit cards.

Some legislators have also questioned the ethics of allowing credit cards to be used for paying taxes. The issue being raised is that maybe some low income people will get in worse financial condition by using credit cards and incurring ongoing penalties and interest if they are not able to meet their payments.

I am happy to work on the smaller stuff as well as the big stuff. The big stuff is obviously important, but small things affect our quality of life too. One of my favorite quotes is, "It isn't the mountain ahead that will wear you out--it's the grain of sand in your shoe."

Feel free to contact me with questions or comments: [\[danbydan@hotmail.com\]](mailto:danbydan@hotmail.com) or 607.272.7582. ❁

➡ *Donate Your Veggies, cont'd from front page—*

landfill, you know you already have more than enough plant matter for the compost. It seems wasteful when you know there are people all around you who would love to eat your vegetables, even if you can't remember when a zucchini felt like a treat.

Friendship Donations Network's /Neighborhood Food Hubs/ make donating garden produce easy. Simply drop off your extra vegetables, fruit, and eggs at one of the seventeen Neighborhood Food Hubs and they will be distributed by area food programs the next day!

Danby's hubs will, once again, be located at 222 Bald Hill Road and at the corner of Marsh and Hornbrook Roads, both on Wednesdays, 8am-8pm, July 12-October 11. Donations will be distributed by the Danby Food Pantry; on weeks when pantry isn't held, directly to other individuals and food pantries in the area.

No donation is too small. An extra tomato here, an extra zucchini there, it all adds up quickly. In the first four years of the program, local gardeners and CSA members donated more than 15,000 pounds of produce!

There is at least one active Neighborhood Food Hub on every day of the week somewhere in Danby, Dryden, Groton, Ithaca, Newfield, or Trumansburg. For a complete listing, visit [friendshipdonations.org/hubs/]. If you have questions or would like more information, please contact us, [hubs@friendshipdonations.org] or 607.216.9522.

About Friendship Donations Network:

Founded in 1988 by Sara Pines, Friendship Donations Network rescues fresh, nutritious food from stores and farms--food that would otherwise be thrown away--and redistributes it to neighbors in need. Each week 2,000 people are served by the program, and nearly 1,400 pounds of good food is diverted each day from the landfill. ❁

FIRE DISTRICT REMEMBERS VOLUNTEERS WHO HAVE DIED

Submitted by Ed Kokkelenberg, Fire Commissioner

The Danby Fire District is staffed by volunteers, from the chiefs down through the ranks to the newest newbie. Sometimes we are injured while trying to help you; once, one of ours died at a fire scene. Many of ours have passed on from other causes.

Today, we honor our dead.

Died in the Line of Duty

On January 7, 1956, Norman Mabee, a Danby volunteer fireman died fighting a fire that destroyed the Danby Town Barn. He collapsed after entering the burning barn to remove equipment. Coroner Ralph Low determined Mabee suffered a heart attack complicated by smoke poisoning. The cause of the blaze in the two-story frame barn was determined to be sparks from a wood fire that had escaped through a break in the chimney.

Died after years of Volunteer Service

Erik J. Gaden

Neil Nelson

Dennis Pollack

Beatrice Hogben

Ed Roberts

Edgar Oltz

Harry Evilen

Judd Leonard

Judith Oltz

Mike Quinlan

Ray Seeley

Richard Oltz

and Gene Beavers, Fire Commissioner

Gene Beavers served as Fire Commissioner, Water Commissioner, and on the Town Board of Danby.

This list may not be complete. If you have a photo of those honored, we would appreciate a copy. If you have any comments, corrections or additions, please contact [edwk@lightlink.com]. It would be good to develop more information on each of our past volunteers. ❧

EVENTS 'ROUND TOWN

This column appears monthly, featuring brief descriptions of events—current and upcoming months—around Danby. If you have a non-profit event that the general public is invited to...send a notice to the Danby News!

Danby Community Church

Red Cross Blood Drive: Friday, July 14, 1-6pm.

Rummage and Yard Sale: Friday, July 28, 3-7pm, and Saturday, July 29, 9am-Noon.

Sundaes on Wednesdays: Ice Cream and Musical Performances. Wednesdays, starting August 2. Free Ice Cream at 6:30pm, music at 7pm.

- August 2: Ithaca Concert Band
- August 9: Steve Southworth and the Rockabilly Rays (music at 6pm)
- August 16: the Finger Lakes Pipe Band

The Great Room at Slow Lane

Contra Dancing: Most Fridays, 8pm. Beginners welcome, no partner needed, dances taught. Info: 607.273.8678.

Scandinavian Dancing: music by Stephan Ohlström and Stephen Ellner. Sunday, July 30, 2pm. ❧

WOMEN'S FICTION

Submitted by Joanne Farbman

The Women's Fiction Book Club of Danby is currently meeting on the second Tuesday of each month at 1 pm. Since it's a pretty new group, this schedule could change.

So, anyone interested in this new group should contact me at 607.280.3069 or [jsfarbman@gmail.com]. We'd love to have you! ❀

DANBY BOOK CLUB UPDATE

Submitted by Janice Beal

The Danby Book Club meets on the third or fourth Sunday of each month, 4pm, at one of our homes.

We read mostly non-fiction and are very focused on discussing the book. Refreshments are served.

Please join us! New members are always welcome. Questions? Contact me, 607.279.1480 or [beal.janice.e@gmail.com]. ❀

MYSTERIES IN DANBY'S LIBRARY

Submitted by Ted Crane

I'm a book addict. I like to read. I've even been called an ink drinker. And Danby's Community Library has a never-ending supply of great reading.

Once upon a time, over a period of months, I borrowed every Science Fiction book on the shelves of my neighborhood branch of the New York Public Library. And then began taking a bus to the next nearest branch.

Nowadays, I'm absorbing mysteries. Our local library in Danby has a great selection of mysteries. If you like dark, tense detectives, look for the Harry Hole series by Norwegian writer Jo Nesbo. If you like light reading, look for the brightly colored covers of Janet Evanovich's whodunits. Like something inbetween? It's there, too.

Do you travel a lot? Danby's library has its own collection of books on CD—good stuff—and supplements the selection with BOCDs circulated by the Tompkins County Library. Recently, you could listen through several volumes of Charles Todd mysteries featuring British Detective Inspector Ian Rutledge, the PTSD-suffering veteran of the Great War. Hint: check the box for the length of the book, and match it to the time you'll spend in your car on a long trip! ❀

DANBY SENIORS UPDATE

Submitted by Margie VanDeMark

The Danby Seniors will have their July meeting at Myers Gardens on July 6 (our usual first Thursday date) at 1pm. It will be our annual chicken BBQ.

The event is dish to share, but no need to bring your table service. Sign ups are required; please call Margie, 607.273.8046.

There is no regular meeting in August. We had a good turnout for our meeting on June 1 and we thank our hosts, Bill and Pat Dougherty, Jack and Nancy Gould, and Richard and Alice Humerez.

For our July 19 trip to Canandaigua--for Sonnenberg Gardens and lunch on the Canandaigua Lady—contact Nancy Gould, 607.273.8705. For our August 22 trip to Auburn for a museum visit, lunch at Lasca's, and the Merry-Go-Round theater, contact Nancy Weitzel 607.272.6570. ❀

SOUTHERN TOMPKINS TOWN TALK

Submitted by Gay Huddle, Ithaca Journal Columnist

Please remember to send your stories to me for the Southern Tompkins Town Talk column that appears weekly in the Ithaca Journal.

I cover the neighborhoods of Danby, West Danby, Brooktondale, Newfield, and Upper South Hill. Pictures (in JPEG format) are always welcome.

Please contact me at [gayhuddle@hotmail.com] or 607.273.6530. ❀

MOBILE FOOD PANTRY

Submitted by Margie VanDeMark

The Mobile Food Pantry from the Food Bank of the Southern Tier will be at the Danby Community Church on Monday, July 24 (always the 4th Monday) at Noon. Anyone needing food is encouraged to come.

Please bring your own bags/boxes. There are usually produce and bakery items, dairy products, canned vegetables, and sometimes meats and personal care items. ❀

Danby Youth Flyer

Community Council Youth Programs

The Danby Youth Program is committed to offering quality, stable, uninterrupted programs to the youth of Danby. Our search for a permanent manager continues as of press time. For updates, check us out on the web at [danbycc.org/YouthPrograms]. ❖

DANBY COMMUNITY LIBRARY

Submitted by Patti Meyers

Bulletin: We are changing our hours as of July: Tuesdays, 5-7pm and Fridays 1:30-3:30pm. Let us know if this meets your needs better. We will look at it again at the end of the summer.

Remember we are open for self-check when the Town Hall is open this summer (10am-5pm Monday, Tuesday, Wednesday, and Friday). Our outdoor book drop is always available for returns.

Bulletin: We need volunteers! Visit us during one of our volunteer meetings (First Saturday of the month at 9am) to find out how you can help.

Bulletin: Did you know the style of NonFiction is changing? It is more narrative and tell a story based on actual facts. Check out our NonFiction section for some new reads.

Bulletin: Missing holiday book: Little Bear's Valentine. If you have it, please return it.

Bulletin: This is my last Danby Area News submission. After 20+ years, I will step to the other side of the library desk and continue as a patron. Thank you to all the wonderful volunteers now and through the history of Danby Community Library. ❖

Not Just For Youth...

JENNINGS POND OPENS: SWIMMING

Submitted by Mary Kozak

Swimming at Jennings Pond will be great this year!

Thanks to our rainy Spring, the water level is back to normal and the water has been refreshing since we opened for the season on June 22.

The pond is open seven days a week, but swimming hours are dependent on the availability of lifeguards.

Jennings Pond is off Bald Hill Road, half a mile from NYS Rt.96B. It is part of Buttermilk State Park and its waters feed Buttermilk Falls. Jennings Pond is great for swimming, fishing, kayaking and birdwatching! ❖

DANBY BIG PUMPKIN CONTEST

The Community Council is sponsoring a contest for the largest pumpkin grown in Danby in 2017. A competing pumpkin must be grown in Danby and cared for by the contestant or their family.

If it looks like a pumpkin, we will call it a pumpkin (no gourds allowed!). Only one pumpkin can be submitted per contestant (multiple contestants per family okay). A point score of weight in pounds times the maximum girth in inches will be used to determine the largest pumpkin.

The measurement date is October 8. Pumpkins can be brought to Town Hall on the 8th for measurement or a representative of Danby Community Council can come to the site of the pumpkin and make the measurement.

Contestants are encouraged to register—at any time—via Email to [wevans@danbycc.org]. Seeds from the Big Max pumpkin variety are available at the Town Clerk's Office.

All competing pumpkins are welcome for display at the Danby Harvest Festival in October with entrants receiving a certificate of participation and the top three winners an award. ❖
