Danby Summer Market

Submitted by Pamela Goddard

A Danby summertime market, Something Special Summer Series, debuted last year and is still something very special with a new name, Danby Summer Market.

On the third Friday of June, July, August, and September, 4-7pm, you will find friends and neighbors taking in the summer harvest at Dotson Park. There will be plants and flowers, baked goods, and hand crafts. You'll find fruits, vegetables, fiber arts and more. All while the sound of music from local musicians washes over you and the kids may enjoy face painting, games, and simple crafts.

"This was inspired by the voices of Danby residents who have been wanting more community events in the line of farmers markets, craft fairs, and outdoor concerts," says founder Elana Maragni. "I'm so happy to partner with Danby's Community Council and Dotson Park. Their support and encouragement really helps to get the word out. To me, that's the most valuable thing."

The 2022 dates are June 17, July 15, August 19, and September 16. In case of rain, the event will delay one week, for the fourth Friday. Local performers will be there each month. Those who might not be interested in the market come for the music, and those who are interested in local produce get to hear local talent. The five member band, *Second Spring* kicks things off in June with its fun, innovative, alternative music. These young musicians (several from Danby) charmed marketgoers last summer and are sure to please again.

Many of last year's vendors are returning and new vendors are welcome. Some of the returning local farmers include Golden Grove Farm, Shagbark Garden, Whisky Cane Produce, Fairy Tale Herbs, and the Finger Lakes Nursery. Check out handmade goods and art from Replica Photography and the Cat in the Hollow Studio. And, representatives from the Danby Fire Department will be there to teach us more about how to keep ourselves and our property safe.

—continued on page 3 ➲

On Fire! Chicken BBQ

Submitted by Derek Dougherty

The Danby Fire Department will host a drive-thru Chicken BBQ on June 11, 11am until we sell out. Each plate will include Barbecued Chicken, Salt Potatoes, Baked Beans, and Rolls. All sales will be in the drive-thru, but guests are welcome to park and use the open-air pavilion to sit and eat if they wish. ♣

DCC Update: *Time To Subscribe*

Once again, the Community Council offers its thanks to the many friends who have already stepped up with donations and subscriptions.

Although we are competing—by their choice—with a high-priced publication funded by involuntary taxpayer dollars, we believe the *Danby News* can be self-sufficient. All it will take is a significant number of readers to subscribe ($10 covers the cost of 12 issues and $15 is even better) and a fair number of people joining *The Danby 100* with more significant donations ($100 or more) to help us cover Danby residents who cannot afford to subscribe. We're happy to have you identify and assist us with grant funding.

The *Danby News* remains a place for community connection and information. The Community Council will continue the *Danby News*, with...a little help from our friends.

Contributions (check payable to Danby Community Council) can be sent to PO Box 6886, Ithaca, NY 14851-6886. ♣

Danby News Notes

Submitted by Ted Crane

Submission Guidelines: Before submitting an item for the Danby News, please have a look at the *Submission Guidelines*. You can request them by Email from the editor at [danbynews@tedcrane.com] or find them at [danbyny.org/DanbyNews]. If you're thinking of sending something for publication in the Danby News, there's two documents to read: the *Guidelines* and the *Submission Guidelines* at the same web location.

You'll learn what is, and isn't acceptable material for publication. If it's acceptable, we'll make an effort to include it; generally, we print everything we receive! You'll find hints about how to prepare a submission. Following these guidelines makes the editing and layout easier.

A terse version of these guidelines is in the left-hand column of this page. ♣

Know Your Neighbors: Elana Maragni

Submitted by Pamela Goddard

Elana Maragni grew up in Danby, with the beautiful view from Bruce Hill Road and a strong community building ethic. Her father, Henry Peterson, would create lots of social gatherings at their home on the hill. And her parents had a vision for collective community.

Photo by Ted Crane

"I remember when my mother bought the property for White Hawk, I was 14," says Elana Maragni. "I didn't want the people of Danby to feel excluded. I didn't want White Hawk to be separate or removed from the rest of the community. I felt that about EcoVillage. I wanted it to create more community in Danby, not less."

Elana and her family are removed from White Hawk now, living on the family property overlooking Newfield and Enfield. But she's still finding and creating ways to have more community connections in Danby. She embodies a new generation of community vision, serving on the Planning Board and stepping up to make space for family-friendly community events.

As a teenager, Elana found ways to meet neighbors and be involved in the community. She worked in the Danby Market (where the Danby Gathery is now) scooping ice cream in the summer. There are few opportunities like those for local youth today.

For several years, she worked in the tasting room at Six Mile Creek Vineyard. "I'd been interested in the Finger Lakes wine industry, and it was nice to have a place so close by," Elana explains. "That was a really important part of my life for several years. It was really nice to see people, as things opened up. I could get my social fix."

Elana left the tasting room when she was pregnant with her second child. "I've got two little ones and I'm a full time mom, which is fine by me," she says. Raising a new generation here in Danby has actually been a motivator for organizing family friendly events. The idea to revive the Autumn *Trunk-or-Treat* at Dotson Park came from her own need, as mother of three year-old during the first year of pandemic.

"It's something I wanted to see in the community," she says. "There seemed to be a demand for a smaller, community event and it made sense. It's not so easy to go door-to-door trick or treating in a rural community and families may not want to go down to the hoopla of Fall Creek. I think it's been a great success, and there are still people interested. It's fun, and it's enough for the little kids."

Elana is one to step up where there is a need. The *Something Special* summer series has morphed into the *Danby Summer Market*. "I felt like this was something I wanted to see in our community. It had been attempted before, and maybe we could try again. I thought 'somebody's got to do it' - and it was so achievable. I would like to have more opportunities to bump into our neighbors." ♣

Danby's Community Council wants us all to get to know each other better. This series of short profiles of interesting folks who live here is one way. Do you have an idea for someone to highlight? Let us know. ♣

➲ ***Summer Market, con't from front page***

"Dotson Park is such a great venue for the market," Elana says. "It's central, and neutral—an ideal spot. We hope this monthly event will bring community together, while promoting the agricultural, musical, artistic, and creative endeavors of our neighbors. Last year was a great success. Once a month works well for here." ♣

Be a Part of a Global Effort to Restore Wildlife

Submitted by Betsy Keokosky

If you are starting to take for granted that the natural world around you is becoming more sterile with fewer insects, fewer pollinators, fewer frogs, fewer birds, fewer small animals, and dying trees...don't. People all over the world are actually doing something about it.

One of the latest global environmental initiatives is to try to conserve 30 percent of all land and water by 2030--more if we can manage it. Known as 30x30, it is a popular concept that originates from a growing consensus that the extinction crisis is as critical as climate change to the health of our planet. The UN and, now, the US Department of the Interior have embraced it.

This idea employs an increase in *nature-based solutions*, such as the restoration of forests and local ecosystems, as well as more sustainable farming and sustainable food systems. Wildlife can actually respond to regenerated environments and begin thriving. These ideas—finally—connect the dots, that the weakening of any species compromises its unique role in the whole ecosystem and, therefore, weakens or destroys the integrity of the whole. The whole includes human life.

The idea of large-scale preservation is not as daunting as it would seem. Preserving pristine wilderness tracts, while vitally important, is only a part of the picture. Restoring privately owned land to a regenerated ecosystem and teaching humans how they and other species can live better in harmony is also very important. For instance, in the western U.S., the Fish and Wildlife Service is actually giving classes to teach people living in forests how to co-exist with bears and wolves. Clue: one factor is not leaving out your garbage. Or for that matter, how can we learn more about the habits of squirrels and raccoons, earthworms, and other small creatures in our own Danby lives?

You can be part of this global movement in a local way. By working together to place your—and your neighbors'—land into conservation easements you are contributing to this effort to protect and re-wild the planet. The larger the areas and the more you allow them to revert to their natural habitat the more effective they become. Corridors to connect such areas and putting easements on adjacent lands are also important.

Conservation easements preserve and restore the places you love. They allow other species to find an undisturbed refuge. They also make the property around them more valuable. Many other people want to buy property near other land they know won't be developed.

In the Danby area, there are two ways protect land with Conservation Easements: via the Finger Lakes Land Trust `[fllt.org]` and via the Town of Danby `[danby.ny.gov]`. Both are based on Title 3 of Article 49 of the NYS Environmental Conservation Law. While the two programs have different requirements, both allow you to support the natural world around you. ♣

American Legion Update

Submitted by Marvin Eastman, Post Manager

Well, things have slowed down a bit as we enter the summer but, fear not, our dinners will return in the fall (September).

We are open Monday-Saturday, 2-8pm, business warranting. If no business for at least one half hour after 6pm, we will be shutting down for the evening.

You can stop in for a cold beverage or possibly something from the kitchen (burgers or wings).

Looking for a place to have a gathering - why not check out our pavilion? We can accommodate just about any size gathering. Call or stop by for more details. We will be hosting the Danby Seniors July 7.

On a side note, The Ithaca American Legion is looking for a part-time/fill-in Post Manager. Pay depends on experience. If interested, drop off your resume at the Legion, 1231 Danby Road. Duties include, but not limited to, assisting with payroll, daily turn in, keeping track of the bell jar information, beer and liquor orders, food orders, and bar supplies. Down the road this position could turn into full-time status.

Hope you had a chance to celebrate Memorial Day by attending any one of the various ceremonies put on throughout the County. Remember some gave all, all gave some. ♣

Culverts Blossoming!

Submitted by Ted Crane

It seems as though there's hardly a mile of road in Danby where you can't find a new driveway culvert. Some are at the end of existing driveways while others bridge the drainage ditch into fields or forests where new dwellings are planned.

Some of the new driveway culverts are owner-initiated but, in its effort to improve roadside drainage, Danby's Highway Department has been proactively identifying problems. They're watching for rusting or damaged pipes and driveways where the road surface itself has been damaged by misdirected stormwater.

On Danby's roads, installation or replacement of a driveway culvert is a cooperative process. The resident is responsible for the cost of the pipe itself, and the Highway Department does the installation, providing machinery, labor, and both the larger gabion rock used to cover the pipe and the smaller driveway gravel. The cost of the pipe varies by its diameter and length; many are in the $300-600 range.

The process, from ordering to completion, can take a week or three, depending largely on the availability and delivery of the pipe. The pipe can be delivered to the Highway Department so it doesn't block the driveway prior to installation.

Some of Danby's roads are maintained by Tompkins County; the rules and costs may be different on those roads.

If you'd like to talk about your driveway and its culvert, contact Jack Shawley the Highway Department: 607.277.4788 or [jshawley@danby.ny.gov].

Summer in Dotson Park!

Submitted by Mish Lenhart

Sunny climes are here and what better place to spend these warmer months than in Danby's backyard: Dotson Park! Here are ten of our favorite activities to try during summer 2022...and all of these are free!.

① Check out the Danby Summer Market on June 17, July 15, August 19, and September 16, 4-7pm! There will be local vendors, live music, and a chance to see your friends in the community. The park will be hopping.

② Romp around the natural playground! Kids of all ages can climb, slide, scramble and play. There is a seasonal story walk that meanders through the playground, too.

③ For the younger crowd, the Danby Outdoor Playgroup meets at the park pavilion on Fridays, 10am, and there are different activities each week for 1-3 year olds. All are welcome.

④ Try your hand at disc golf! There is an 18-hole course in the park, and you will get to see beautiful terrain on your walk from basket to basket. If you don't have your own discs, there are loaners in Danby's Town Hall, across the street from the park.

⑤ Walk the trails! Enjoy a lovely walk through wooded and open areas. Just remember to wear your muck boots when the ground is still soft and wet. Some parts of the trail get pretty muddy.

⑥ Birdwatch! The ecosystem in the park is home to a variety of wildlife and we encourage gentle use of the park to protect flora and fauna's natural habitat.

⑦ Stargaze on the mound! The hill near the main parking area is a great place to lay down a blanket, watch the night skies, and maybe catch a shooting star.

⑧ Try out the port-a-John if you're in need!

⑨ Have a picnic under the pavilion! Dotson is a carry-in, carry-out park, so we encourage you to enjoy the space and clean up when you are done.

⑩ Volunteer! Did you know that the park is completely managed and maintained by volunteers? We are looking for folks who are willing to help keep the trails, playground, and all areas of the park in good shape. Email [dotsonpark@gmail.com] for more info.

We hope to see you soon in the park!

Town Keeping Sign Busy

Submitted by Ted Crane

The Sign across NYS Rt.96B from Town Hall is owned and updated by Danby's Community Council. Generally, one side has a summary of upcoming events—Town meetings, concerts, community groups—while the other side gives more details of a single, special event.

Drivers and passengers in moving vehicles don't get much time to read the announcements. They probably never think about how big the sign is—many traffic signs are actually 3 feet tall and wide and this is bigger—or how big the letters are. Standing next to it, the size of each letter is impressive: about 8 inches tall! Even with a 5-foot wide sign, only about 10-13 letters can fit on a line (each letter has a different width). Complex messages ...don't fit.

The sign is super-low-cost. Decades ago, it was donated to the Community Council. It is maintained and updated by a volunteer based on information contained the the Danby News.

In late May, the sign contained a first-time-ever combination of events (see photo). With the Town Board now meeting as many as four times in a month, there are more public hearings and laws being passed in some months, than was previously the case during entire years!

During one meeting, a Board member responded to the number of policy and procedure documents being voted on by suggesting that the Board prepare a policy for policies. ♣

*[One cannot help but to think of the fictional Bureau of Sabotage proposed by science fiction writer Frank Herbert (*Dune*). BuSab is a government agency responsible for conducting dirty tricks "in lieu of red tape" to help slow down and regulate a vast, galaxy-spanning bureaucracy.]*

Seniors Update

Submitted by Margie VanDeMark

The Danby Seniors met on May 5 for the first time in *two years!* We had a nice turnout of 35-40 folks and enjoyed a variety of dishes shared. Dan Clements called three Bingo games and the Cuyles had gotten gift cards for gas as prizes.

Our July BBQ will, again, be at the American Legion on July 7, Noon. Signups are required: contact me, 607.273.8046 or **[margievan@live.com]** to sign up. ♣

Community Library

Submitted by Cindy Parlett

So many new books! Just to name a few:

Adult Fiction

- *The Millionaires* by Brad Meltzer
- *Back Fire* and *The Final Cut* by Catherine Coulter
- *One False Move* and *Six Years* by Harlen Coben
- *The Cornwalls are Gone*, *The Red Book*, and *When the Wind Blows* by James Patterson.

Children's Fiction

- *Nate the Great* and *Nate the Great and the Tardy Tortoise* by Marjorie Weinman Sharmat
- *Arthur's Family Vacation*, *Arthur's Friendship Treasury*, *Arthur's Reading Trick*, and *Arthur's Lost and Found* by Marc Brown.

We also have a display of books by Jeff Shaara covering the Civil War, World War I and II, as well as the Korean War.

Our hours are Tuesday, 1-3pm; Thursday and Saturday, 10am-noon. ♣

Tai Chi Movement

Submitted by Margo Yntema

The Taoist Tai Chi Regional Management Committee, in consultation with the CNY Branch Council, has decided to halt classes in Danby—for the time being—at the end of May. Perhaps, when we open up more fully and start teaching new students again, we will revisit holding classes here in Danby.

Meanwhile, *for previous Danby students only*, there are classes just down the road in the Henry St. John gymnasium (301 South Geneva Street), Monday and Wednesdays 9-10am and 10:15-11:30am. We also offer a class in the Varna Community Center (943 Dryden Road) on Thursdays, 9:30-11am. ♣

Note: Some programs are inside. For programs that take place outside it is vital that your child comes prepared with proper clothing for the afternoon. Students who are not prepared will be sent home on the bus. Please let me know if you need help acquiring cold weather clothing.

All programs adhere to CDC and Tompkins County Health Department Guidelines.

Contact Heidi Doggett with any questions, **[hd289@cornell.edu]** or 925.240.3572.

More Puppets! (grades 4-5)
South Hill Elementary School
2-5:30pm, Mondays, 6/6, 6/13

Youth can choose between making a Muppet-style hand puppet or a marionette creature. The last two will be for practice only. Weather permitting, practice will be outside.

Dungeons and Dragons, Magic: the Gathering, and Board Games (grades 6-8)
Boynton Middle School
3:30-5:30pm, Tuesdays, 6/7, 6/14

Time for Round 2 of games! This program has been very popular, so we are continuing it through the end of the school year. Youth can choose between participating in (or possibly running) a Dungeons and Dragons campaign, bringing their Magic deck, or trying out an assortment of board games. Exploding Kittens and Tsuro have been favorites so far. Youth can also try making their own human-size board game using props and giant dice.

Games in the Woods (grades 4-5)
Dotson Park
2:30-5:30pm, Wednesdays, 6/8, 6/15

Come play tag, go on scavenger hunts, toss bean bags, and who knows what else? What games do you want to play? Bring your ideas, a water bottle, and some sturdy shoes.

Outdoor Exploration (grades 6-8)
Boynton Middle School/Stewart Park
3:30-5:30pm, Thursdays, 6/9, 6/16

Meet at the Boynton Library, then set out to explore. Youth being dropped off from other locations may go straight to Stewart Park depending on timing. Adults can eMail Heidi to coordinate details.

We could walk along the lake, cook a snack at the grill, play games, watch the wildlife, or try out some photography. In case of heavy rain, we'll bring indoor activities to choose from and stick to the library.

Fishing at Jennings Pond
Jennings Pond
Grade 4-5: Monday, June 27, 9am-1pm
Grade 6-8: Tuesday, June 28, 9am-1pm

Come for fishing, exploring, and making your own picnic lunch.

Hawk Meadow Farm Tour–Grade 4-5
Trumansburg, transport from Danby available
Wednesday, June 29, 9am-2pm

Tour a local mushroom farm where they grow mushrooms on logs outdoors. Eat lunch at their beautiful picnic grounds. Spend a while playing in the woods before heading home!

Meyers' Gardens Tour–Grade 6-8
Spencer, transport from Danby available
Thursday, June 30, 9am-2pm

See a working water wheel, blacksmith, a 30-foot sundial, and more! The gardens are full of interesting buildings, hundreds of plants, and old tools that youth are permitted to handle rather than just viewing in a display case. We'll explore and then eat lunch before heading back. ♣

Lifeguards For Jennings Pond
Submitted by Amy Cusimano

The tease of spring is here—which means the hot days of summer are coming soon. Jennings Pond is looking for lifeguards for the 2022 summer season.

You must be 16 or over in age. Requirements include First aid , CPR, AED, Lifeguard and waterfront certifications. These certifications can be done at the Red Cross or the YMCA. All costs for certifications will be reimbursed by the Town of Danby.

Excellent pay and a great place to spend your summer.

We look forward to hearing from you. Contact Amy Cusimano, **[myemail607@gmail.com]** or Mary Ann Kozak **[mkozak1@twcny.rr.com]**. ♣
