

DANBY NEWS

SUN SHINES ON PARK MUSIC

WE MET, WE SANG, WE ENJOYED THE SUNSHINE.

The turnout was not bad for the Sunday afternoon of Easter/Passover weekend. Temperatures were in the low 50s, but felt warmer in the sun—when the wind wasn't blowing. The notes of a hammered dulcimer joined several voices, a lot of laughter, some stories, and songs.

This kind of thing should happen more often. The target is one Sunday afternoon a month, May through September, starting on Sunday, May 18, 2pm. Dotson Park's hypar pavilion has benches and is surrounded by more benches and picnic tables. Music always brings good weather, so no rain dates are planned beyond "next month."

Play a tune, sing a song, or just listen.

These events are different from concerts (no "performers") and from open mic nights ("serial performers") because there is no stage. It's less about performing and more about sharing; we enjoy the Park while we make our own entertainment.

There's ample opportunity for dedicated performances in Danby. DCAP's Community Concert series brings locally- and nationally-known artists into staged events. Danby's Community Church has *Sundaes On Wednesdays* during the summer, South Hill Cidery offers music, and Danby Food and Drink has both paid performers and open mic events.

The free open music sessions are sponsored by Danby Community and Park. Contributions to support the Park are welcome. Refreshments are provided; folks are welcome to share their own snacks. Sing, play, or listen. No need to register, just show up. This is fun for a whole family.

April's event brought a lot of folk music and old time tunes, while previous gatherings included blues, jazz, and even some show tunes.

Join us, all summer long...and during October's Harvest Festival! 🍂 (dcap)

MEL AND SOL IN CONCERT

DANBY COMMUNITY AND PARK presents the next in its series of Community Concerts on Saturday, May 17. Mel and Sol will bring their creative mix of jazz, klezmer, and original songs to Fellowship Hall in Danby's Community Church. The concert starts at 3pm and is just right for the whole family.

Mel and Sol is the performance name of Will Fudeman and David Frumkin. They've played at weddings, bar and bat mitzvahs, anniversaries, birthday parties, political fundraisers, and at Greenstar's new pavilion. These are two ordinary guys, making thoughtful music from ordinary life.

Will's story-songs guide the listener through memorable experiences with family, friends, and life challenges. As the bumper sticker says, "Real musicians have day jobs," Will practices Chinese medicine in Ithaca. Will's commitment to helping his clients find a path to healing is evident in his music as well.

David Frumkin also performs vintage jazz and pop standards with the trio *Blue Skies*.

Join us for an afternoon of music that is sure to soothe your soul. The event is free and open to all. Refreshments will be served.

DCAP continues its long tradition of accessible and varied concerts made available to our community. This program is made possible with funds from the Statewide Community Re-grants program from the New York State Council on the Arts, with the support of the office of the Governor and NYS Legislature, and from Tompkins County, administered by the **COMMUNITY ARTS PARTNERSHIP** of Tompkins County.

Donations to cover refreshments and other incidentals, are always welcome. We can also use volunteer assistance for setup and cleanup; contact Pamela Goddard, 607.342.4110. 🍂 (dcap)

GREAT ROAD CLEANUP REPORT

ALMOST A DOZEN PEOPLE of all ages helped clean up the margins of NYS Rt.96B and Gunderman Roads in Downtown Danby. In spite of ominous weather forecasts, no rain dampened the cleanup on Saturday, April 19; short-sleeved shirts were more appropriate than raincoats.

Road cleanup volunteers Zach Malkin, Ted Crane, and Carolyn Klass. Not pictured: Chris Morehouse, the entire Kuo Family, and random walkers who grabbed a bag and joined in!

—Photo by Zachary Malkin

Participants scoured the shoulders of Danby Road, from beyond Michigan Hollow Road northward to White Hawk Lane. There was mostly good news: less trash than in previous years!

Ted and Pamela have been coordinating road cleanup for the 2.2 miles of NYS Rt.96B thru Danby for many years. It's been interesting to see

what's been found along the roadsides. It changes, year to year.

By count (and, to some extent, by weight) road paint dominates the pickups. The pavement markings—both yellow and white—chip off over time. It is not ordinary paint (see *Correction* below); it's thick and heavy, and sometimes it's still attached to chunks of road.

We found fewer car parts than usual, and it was almost all small, lightweight plastic bits, presumably from auto accidents. There's also side view mirrors, underbody panels, and hubcaps. Maybe drivers are a bit more careful? Maybe things get cleaned up better right after accidents?

DOUG'S FISH FRY TO RAISE DOLLARS

JOIN THE MEMBERS of the local fire department for a delicious lunch/dinner from Doug's Fish Fry on Tuesday, May 20, 11am-6pm. A portion of the proceeds will support your local fire department, the Danby Volunteer Fire Company. Don't miss out on baked goods, T-shirts, and drinks from DVFC too. 🍷 (dvfc)

WEST DANBY WATER UPDATE

HYDRANT FLUSHING will be May 12, north side and May 13, south side. 🍷 (wdwd)

[no further information was provided—editor]

There are always cigarette butts. This year, there was less evidence of fast food. Maybe it's less popular, because it's more expensive? There's always plastic cups, plastic and glass bottles, and cans. Some are fresh enough to return for the container deposit!

Oddly enough, the greatest concentration of legal drugs—energy drinks and convenience-store pick-me-ups—filled the roadside in front of Danby's Town Hall. These, along with beer cans, are usually concentrated near *Speed Limit* signs. That's a source of concern about folks who are drinking and driving.

During the COVID pandemic, face masks littered the road. Those seem to be gone. Pieces of styrofoam, possibly from the same litter incident as the masses found several years ago, add bulk but not weight to the collection bags.

We re-delivered a fair number of mail pieces—bills and notices—that escaped, somehow, from mailboxes. This year, thank goodness, there were no wet telephone books.

Road cleanup is more than community effort to keep the roadsides more beautiful. It's also a window on what's happening with society and with travelers in our town. We were glad to see that, over all, there seemed to be less trash and debris along the road this spring. Maybe regular cleanups are having a good effect.

Everyone interested in helping with future cleanups is more than welcome. The more we do, the easier it gets, with less trash to pick up. It seems that community cleanliness is comfortably contagious. 🍷 (pg)

ROAD PAINT CORRECTION

APRIL'S *DANBY NEWS* contained an unfortunate error. It reported that discussion during one of Danby's Town Board meetings mentioned a \$50,000 cost for the Town's installation of a crosswalk between Town Hall and Dotson Park. That figure was improbably high.

Careful review of the meeting recording confirmed an expression of surprise about the unexpectedly high cost, but the actual amount is still unknown. The number "twenty" was clearly audible, along with something that might have been "seven" or "thousand." The official who spoke does not remember the exact words. It was unlikely to have been \$20 or \$27; a figure in five digits seems a better fit for the context.

Another official opined that the \$50,000 cost might have referred to a larger project including the crosswalk but the recorded discussion was only about the crosswalk.

Apologies for hearing the wrong number. 🍷 (tc)

REMINISCING #32 AND #33

I WENT BACK to columns from April 2012 and May 2005 to share with readers.

April

I wrote that over the past three months the Ithaca community had shown a great outpouring of love and support for Ithacan Cpl. Christopher David Bordoni and his family. Chris, serving as a Marine in Afghanistan, was gravely injured in January and, in April, at age 21, passed away with his family at his bedside. American Legion Post #221, 1231 Danby Road, was holding a fundraiser for the Bordoni family. I ended with, "May Chris rest gently in the arms of the Angels, and I hope his family will find some peace and comfort at this very sad time."

Local history advocate Wayne Myers was presenting "A Stroll Down Bald Hill in 1880" at Danby's Town Hall on April 12. If you have not visited Wayne's gorgeous gardens yet, you might want to put them on your bucket list.

Also in April, young ladies could pick out donated new or gently used prom dresses for free at a State Farm office in Ithaca. What a wonderful idea!

Do you remember the Oasis Dance Club on Danby Road? In 2012, the club was getting ready to celebrate its third birthday with cake and champagne. The *Ageless Jazz Band* would be performing, with proceeds of the event benefitting Ithaca Hospicare.

Mark Twain, who had such a wise way with words, said, "In the spring I have counted one hundred and thirty-six different kinds of weather inside of four and twenty hours." I think maybe Mr. Twain was speaking about upstate New York!

May

The community was invited to design Danby's 2005 T-shirt. The "logo" should reflect a celebration of Danby's 210th year of settlement. The contest was open to all ages. A dedicated Danby neighbor, the late Sue Beeners, guided the contest.

Danby's Community Library was organizing a youth summer reading program called, *Tune in @ Your Library*. Children who read six books in six weeks would get a prize and a certificate. As author Alice Hoffman said, "Books may well be the only true magic."

A plant exchange was organized by Dan Klein to take place at Danby's Fire Station pavilion. It was not necessary to bring a plant to get a plant!

Danby youth over the age of 14 were encouraged to work at Danby's Farmer Market. Younger youth were encouraged to sign up as volunteers.

And of course we were all gearing up for the July 16 *Danby Fun Day* celebration, which would include a parade. Even animals under control were welcome to march! 🐾 (gh)

PRIMARY ELECTION COVERAGE

THE NYS PRIMARY ELECTION is coming on June 24! Danby has two separate races on the ballot: three candidates are vying for the Democratic nomination for Councilperson (Town Board) and three other candidates want the Democratic nomination for County Legislator.

The "silver lining" of being an independent publication—with funding from reader contributions, hint, hint—is that the *Danby News* can provide information about elections. The candidates vying for office will be asked to provide answers to several questions and their 1-column answers will be printed in the June issue.

In early June, *Danby Community and Park* in cooperation with the *League of Women Voters* will offer a Candidate Forum. Voters can ask their own questions! 🐾 (tc)

SCHOOL DISTRICT VOTING

The annual Budget and Board voting will take place on Tuesday, May 20. The Budget is about ⅔ of your tax bill, and the Board runs the District. Vote! 🐾

SUPPORT THE *DANBY NEWS*

IF YOU WANT INFORMATION beyond official, sanitized announcements in expensive, tax-dollar-funded publications, the *Danby News* is the place to go.

It offers a voice for our community, its members, its events, and provides information that not always available elsewhere.

Celebrate our May-flowers by helping this ship sail toward transparency! Support the *Danby News*.

Help us by covering the cost of your issues! Paid subscriptions (\$15 or more per household) are appreciated. If you can afford it, larger contributions support our community-building efforts; help keep your neighbors in touch with our community.

Please make checks payable to *Danby Community and Park*, note *Danby News* in the memo, and mail to P.O.Box 6886, Ithaca, NY 14851-6886. 🐾

Crappy Diem:

What happens when you seize the wrong day.

"SUPER SITE" POLLING PLACE IN WEST DANBY

EARLIER THIS YEAR, the Tompkins County Board of Elections proposed closing its polling place in the West Danby Fire Station. The reason was simple: thanks to the many alternatives (early voting, voting by mail) to voting on Election Day, it is no longer cost-effective to run the site.

Danby voters objected to the idea of having to travel miles as the crow flies—and 600 feet in altitude—to vote in Uphill Danby. After all, New York is known for promoting, not restricting the abil-

ity to vote. Commissioners Steve DeWitt[D] and Alanna Congdon[R] met with Danby residents on February 15...and were persuaded to try a different alternative.

In a letter to West Danby resident Pat Curran on April 1, the Commissioners wrote, "We agreed to keep the West Danby Fire Station as the polling place for Danby 2. In addition, per the suggestion of a few people at the meeting, we will allow voters from Newfield to vote there also. In addition, voters from Danby 2 will be allowed to vote in Newfield if they choose."

The *Danby News* encourages all Danby residents to vote, West Danby residents to vote in West Danby, and also invites Newfield residents to vote in West Danby. Tell your friends, both in West Danby in Newfield! **Keep our polling place cost-effective!**

BURN BAN STILL IN EFFECT

THE ANNUAL STATEWIDE BAN prohibiting residential brush burning continues until May 14. The NYS DEC enforces the ban to prevent wildfires and reduce air pollution.

The risk of wildfires is greatest during the Spring, and this winter was warmer and drier than most.

Lamanate: two or more Tibetan monks, stuck together
Lamanation: lots of Tibetan monks, all stuck together
Lamasory: a Tibetan monk, apologizing

LETTER: URGING CLEANER ROADS

ONE THING THAT WOULD HELP with road cleanup is to eliminate the dirt that is mixed in with the salt spread on the roads during the winter.

The dirt/mud and stones gets tracked onto our driveways and into our homes. When it is dry, the dirt creates clouds of dust that settles into our homes, all over our outdoor furniture, cars, windows and into our lungs...especially for those who try to walk on the sloppy roads on nice days.

In the spring when the sweeper makes a run in an attempt to remove the dirt, the biggest impact is the tremendous clouds of dust that we then have to deal with. It's Danby's version of the dust bowl.

We have to avoid walking on Danby roads most of the winter. Better to go into the Town of Ithaca where the roads are much, much cleaner.

Does it really save that much to mix dirt with the salt? Dealing with the mud and dust ends up costing all of us in the long run. Even mixing in sand would be better than the dirt that is currently used.

🐼 (aa)

DON'T FORGET THE BOOK SALE !

THE SPRING Friends of the Library Book Sale offers up to 250,000 gently used books, DVDs, CDs, comics and graphic novels, puzzles, games, and other items.

It opens on Saturday, May 3 and runs across three long weekends at 509 Esty St, Ithaca. Specific dates and hours can be found at [booksale.org] or call 607.272.2223.

🐼

ELECTION STICKER CONTEST

TOMPKINS COUNTY'S BOARD OF ELECTIONS has announced annual election sticker design contest! It hopes to increase civic engagement and participation by young people in Tompkins County.

This year's elections are focused on local offices, and the designs must have a local theme and include the colors red, white, and blue. Youth can submit either "I Voted" or "Future Voter" designs...or both!

Contest rules and the submission form can be found online at [tcgov.co/2025sticker]. Submissions will be accepted through May 26. The Board of Elections will select six finalists in each category and the entire Tompkins County community is invited to vote for their favorites!

🐼

NEIGHORLY

ANY OF YOU WHO LIVE IN THE WOODS and have a long driveway, like we do, knows the feeling: you're on the run to get somewhere, driving a little too fast down your driveway, when, "Oh, No! Tree down."

Your driveway is blocked and there's nothing for it but to race back up to the house for the chainsaw (or your partner, who you hope will be willing) to clear the way out. In this season of wind and Emerald Ash Borer, we've been stuck in or out like this a few times now, and it's always inconvenient.

But not today. Well, we were stuck (in, this time), but the first we knew of it was a message from our neighbor, Jason Tubbs. "I just noticed a tree blocking your driveway! I'm gonna stop back with a saw to clear that up for you."

By the time we received the message, we were already unstuck, with the tree cut and neatly stacked next to the driveway. A scattering of fresh sawdust was no obstacle.

If you are familiar with Jason, you may not be surprised; he's no stranger to managing trees. Enlisting Tubbs Tree Service to take down a dead Ash threatening our home, we've marveled to see him expertly slot a tree down into a forest opening we couldn't even see. We've appreciated his clear thinking, when he casts his eye around the periphery of our clearing, on the health and management of the woodlot.

Do you ever find yourself stuck in or out like we do? Or with dead trees in situations you don't dare approach yourself? As Jason says on his website, "*It's not if, it's when,*" call Tubbs Tree Service [tubbstree.com] to take your worry away!

Fair prices, top-notch service, *and* a great neighbor? Of course we will. Thanks Jason! ♻️ (rm)

If you lose your khakis in Texas,
you can't find your pants.
If you lose your khakis in Boston,
you can't start your car.

Sitting on a wooden horse on a carousel.
The horse in front is contentment
The horse behind is death
You can't catch one; the other can't catch you.

RECYCLING UPDATE

TOMPKINS COUNTY'S Recycling and Solid Waste Center (RSWC) will be closed on Memorial Day and Independence Day (May 26 and July 4) and recycling collection will be delayed one day during those weeks.

If you plan to drop off trash, yard waste, tires, or Freon units, you need a Solid Waste Permit to use the RSW facility. Permits are available in the office, 122 Commercial Ave, Ithaca, or via its online shop.

Household Hazardous Waste (HHW)

HHW includes automotive care products, lawn and garden products, products containing mercury, fluorescent light bulbs/tubes, and more! RSWC holds six HHW drop-off events held each year; the next one is on Saturday, May 17. Residents with a valid Permit can sign up for an event at no additional charge. See a full list of accepted items online at [recycletompkins.org].

Ready for Spring Cleaning?

Springtime is the perfect opportunity to refresh your home and reduce your environmental footprint. Choose reusable and eco-friendly products to reduce waste while achieving a thorough and deep clean. You can create a healthy home environment and protect the planet by cleaning

with items like:

- Microfiber or reusable cloths, and natural fiber brushes
- Natural cleaning solutions like vinegar, baking soda, hydrogen peroxide, or lemon juice
- Biodegradable sponges
- Steam cleaners

Remember to donate unwanted, but usable items to a local thrift store, and to reuse items like spray bottles, jars, and cloth remnants.

Food Scraps Drop Spot

Interested in composting food scraps? *Food Scraps Recycling* is a cost saving, eco-friendly way to reduce the waste you send to a landfill. One of Tompkins County's fifteen local drop spots is in Danby: every Saturday, 9am-Noon, outside Danby's Town Hall. ♻️

COMMUNITY LIBRARY

MEMORIAL DAY is the unofficial start of summer. It'll be here before you know it! The Red, White, and Blue is written by Danby residents Diane and Kimberley Zimmer and released by Christian Faith Publishing. Diane's on a mission to teach kids what the flag colors are all about. Come in to see this book donated by Diane, your children will love it!

Sarah J. Maas is an author of YA books but you don't have to be a young adult to enjoy them! Danby's Library has the *Throne of Glass* series as well as her second fantasy series, *A Court of Thorns and Roses*. *Throne of Glass* is based on the storyline of Cinderella but with the question, "What if Cinderella was not a servant, but an assassin who attended the ball to kill the prince?"

A Court of Thorns and Roses is a loose retelling of Beauty and the Beast. 🐾 (cp)

FREE RABIES VACCINATION CLINIC

RABIES IS A DEADLY DISEASE caused by a virus that attacks the central nervous system (brain and spinal cord). Infected mammals can transmit rabies virus to humans and other mammals. Rabies is almost always fatal once symptoms appear.

New York State requires all cats, dogs, and ferrets to have their first rabies vaccination between 3 and 4 months of age. To make it easy to keep your pets vaccinated, the Tompkins County Health Department holds rabies clinics throughout the year.

After an initial vaccine,

- Cats may receive either a 1-year or 3-year vaccine depending on the type of rabies vaccine given and whether proof of previous vaccination is available
- Dogs receive a 3-year vaccine.
- Ferrets must be vaccinated annually.

The next free rabies vaccination clinic will be in Danby on Wednesday, May 7, 2025, 6-8pm, in Danby's Fire Station, 1780 Danby Road. Please register for an appointment at [tcgov.co/health]. Please bring proof of any prior vaccinations!

Note: This is a walk-up clinic. Please be advised that you may be waiting for a period of time in line. For questions, call 607.274.6688. 🐾

Where do bad rainbows go?

To prism.

It's a light sentence and it gives them time to reflect.

SENIORS UPDATE

THE MAY MEETING of the Danby Seniors will be held on Thursday, May 1, 2025, at Noon in Danby's Community Church. Please bring a generous dish-to-share with a serving utensil and your own table service. Beverages are provided.

The entertainment for this day will be the guitar duo *Friday at Freds* with Nino and Mark. Music will begin at 1:15 in the sanctuary.

Sign ups and details for the Summer Trips will be available at this time. The trips are as follows:

- Thursday, June 12, to Wellsboro, PA. Ole Covered Wagon Ride with BBQ; Grand Canyon of the East.
- Tuesday, July 22, Mystery Trip.
- Thursday, August 21, Fairport, NY. Erie Canal Cruise on the Colonial Belle and lunch.

Our next meeting will be Thursday, June 5. There will *not* be a meeting on July 3; instead, our annual chicken BBQ will be held on Thursday, July 10 at the American Legion. You must sign up for this BBQ.

If you would like to be added to our mailing list, please eMail Nancy Gould, [ngould1@yahoo.com]. 🐾 (pp)

MISSING MAIL IN 14883

IF YOU LIVE in the 14883 zip code, have you noticed that you haven't received mail you thought you should? At one time in the past, someone was foolish enough to stop at my mailbox when I was standing in the yard; he was later caught. I wonder if we have another.

I realize the numbers on South Danby Road (and some others) are really crazy; substitute mail carriers might make mistakes. If you get mail that isn't yours, please don't throw it out. Some stuff is hard or costly to replace. You can either leave it in your box and raise the "please pick up" flag, deliver it to the addressee if you know them, or ask them to pick it up from you.

Please let me know [rondaroaring@hotmail.com] if you're having problems. Maybe we can figure out what's going on. 🐾 (rr)

COMMUNITY COFFEE AND DONUTS

DANBY'S COMMUNITY CHURCH offers Free Coffee And Donuts on Third Mondays, once a month, 8-10:30am. This month it's May 19 (probably also 6/16). Open to the public!

The Church is at 1859 Danby Road. Call 607.272.1687 or visit [danbychurch.org] for more information. 🐾
