ADDITIONAL ACTIVITY

Town Hall: Solicited bids and contracted with Pleasant Valley Electric to take over maintenance of alarm system and to add 5 panic buttons in the offices. Filed as a Public Works project with the Dept. of Labor.

Continued work with Smart Energy Group and in particular the Home Energy Rating ordinance grant group. Began developing the RFQ and made some modifications to the program schedule and scope of work.

West Danby Water District project: Annual progress report completed, worked with clerk's office to facilitate the fund disbursements. Met with Dave Herrick here to review progress. Sourced and ordered new computer and printer for district billing purposes, to be paid for with grant funds.

Marsh Road (portion) reclassification request: continued assistance to Town Board.

Planning Board and Board of Zoning Appeals applications: interaction with applicants, processing of applications.

Conservation Easement, Sand Bank Road: drafted environmental review, consolidated related materials.

Deputron Hollow Town Lands: further interaction with surveyor.
