ADDITIONAL ACTIVITY

MC attended the Solar Policy Workshop on 11/6, put on by the NY-Sun PV Trainers Network, with Leslie Connors and Ric Dietrich. Summary of event for other TB members is pending. Followed up with Optony representative about participation in Solar Road Map program that evaluates and facilitates adoption of solar-friendly policies within municipalities. MC met with him on October 15th, along with Ric Dietrich and Jim Holahan. Filled out the initial survey and returned it. Town is already farther along than most in this area.

MC attended two half-day trainings on Commercial Energy Code and Building Science in preparation for the upcoming changes to the NYS Energy Conservation Construction Code. Notified State Forester about illegal dumping on state land, on the seasonal part of Durfee Hill road. State replied that the couch was removed and that a work detail scheduled for the rest.

West Danby Water District project: Public hearing held on 11/17.

Cleaner Greener Communities (HERD) project: grant executed on 11/21.

SB and MC reviewed new town website and provided comments and recommendations to Jim Holahan et. al.

SB continued interaction with potential applicants related to zoning and subdivision.
