ADDITIONAL ACTIVITY

MC went to 127 Hornbrook Road upon request by the county sheriff's office to evaluate structure after police action there and, after inspection of building, declared it condemned and posted it as such. Advised owner by phone and mail that the building needed to be made secure against entry.

West Danby Water District: Annual/Final report submitted. All work related to the initial proposed project is completed. Surplus funds are being used to make emergency repairs to the pump. In addition, two degraded exterior doors were replaced. Grant deadline extended per NYSHCR. All additional work expected to be paid for out of remaining grant funds.

MC attended Code/Valuation Annual Meeting, Green Infrastructure Training.

Two meetings with the Website/Communications committee.

Fire safety inspection at Waldorf School.

SB and MC: continued work on preparation for staff transition in code office.

Residential Energy Score Project: development and population of the Technical Advisory Committee.

MC submitted comments related to Conquering Energy Code project as member of the Energy Code Advisory Committee.
