ADDITIONAL ACTIVITY

Work related to Code Office staffing, including meeting with Town Board and introducing potential candidate for interview.

West Danby Water District project: All approved work completed, including pump repair. Made an effort to determine availability of surplus grant funds for additional work, however it was determined to be outside of the scope of the original project so request was denied.

Arranged for quotes for freeze-protection for the pipes in the crawl space.

Requested repair to one of the inverters for our solar array from Solar Liberty. Work completed.

Interaction with TC Health Dept. related to house in West Danby with failed septic system.

PB support related to special permit application on Hornbrook Road.

Remote Net Metering webinar from NY-Sun. Forwarded information on solar zoning ordinances to PB chair.
