

**Danby Gas Drilling Task Force
Minutes
11-May-2011**

Present: J.Tiffany, K.Halton, M.Terlizzi, R.Chase, F.Chase, D.Kiley, T.Crane

- Meeting brought to order at 7:12pm
- Minutes of 27-Apr-2011 approved by acclamation.
- Zachary Patton has created a map of the Danby State Forest, illustrating the four categories of drilling-development-possibilities present in the Plan. Tiffany presented that map.
- J.Tiffany presented her proposed Rapid Waters Management Plan comments. Those present agreed that it should be sent to the NYS DEC as the group response. Tiffany will accept edits and proofreading corrections up to the last minute, Saturday, 14-May.
- Someone described the ongoing Town Board work on laws related to industrial development.
- Next meeting, next week, Wednesday, May 18. Cynthia Bowman will bring a draft "Aquifer Protection Ordinance" for discussion.
- Meeting adjourned at 8:26pm.
