

# **Want to stop Fracking?**

**We have until Dec. 12 to tell the New York DEC why we don't want the gas & oil companies to industrialize our neighborhoods! The new draft SGEIS governing hydro-fracking is woefully inadequate and can get more restrictive only if they hear from lots of us.**

## **Comment with your Community**

**Friday Dec. 2  
6:30-9:30**

**You can easily submit your comments. Pen, paper, envelopes, stamps, and computers will be provided. Volunteers will have an unending supply of issues and problems within the rdSGEIS ready for you to mention in your comment!**

**Bring neighbors, family, & friends  
Everyone is Welcome!**

**Come submit a comment to the DEC!**
