Minutes of Public Hearing and Meeting
December 6, 2010**

Present:

Supervisor: Ric Dietrich
Councilpersons: Leslie Connors, Kathy Halton, Dan Klein, Dylan Race

Others Present:

Town Clerk Pamela Goddard
Code Enforcement Sue Beeners
Bookkeeper Laura Shawley

Ted Crane, Joel Gagnon, Ronda Roaring, Anne Becker, Pamela Billington, Lew Billington, Gary Bortz, Gay Huddle, Garry Huddle, and others who did not sign in.

The public hearing was opened at 7:05pm.

Town Clerk Goddard read the following legal notice:

PLEASE TAKE NOTICE, that the Town of Danby Town Board will hold the following Public Hearing on December 6, 2010 at the Danby Town Hall, 1830 Danby Road, Ithaca, NY:

7:00 p.m. - PUBLIC HEARING to consider adoption of Local Law - Licensing, Identification, & Control of Dogs in the Town of Danby. The purpose of this Local Law is to provide for the licensing and identification of dogs, the control and protection of the dog population and the protection of persons, property, and other animals from dog attack and damage. A copy of the proposed law is available for public review at the Town of Danby Website [<http://town.danby.ny.us/>] and at the Town Clerk's Office.

All persons will be heard either in writing or in person.

The Clerk received Email correspondence containing nineteen opinions regarding this law. All were in regard to the question of whether the category "War Dogs" should be excluded from the list of working/service dogs exempted from licensing fees. Eighteen were in favor of the exemption from fees, one was opposed to the exemption. All nineteen were read out loud by the Clerk, in the order they were received.

Gary Bortz spoke in favor of a license fee exemption for War Dogs. He asked how many dogs are in this group. The Town Clerk reported that there are currently no dogs licensed with exemptions of any type. To the best of her knowledge, there have not been any "War Dogs" licensed in Danby in recent years. This may be because people do not know that an exemption is available.

Gay Huddle spoke in favor of a license fee exemption for War Dogs. She pointed out that there is an active military support group in Danby. In her opinion, removing the exemption showed a lack of respect and towns should pass consistent laws in this area.

Ted Crane submitted written comments to the Board. He urged the Board to amend the current proposed law to include the fee exemption and to pass the Dog Licensing Law. He suggested that, if there is an objection to the word "war" that the dogs could be defined as "military service dogs, retired."

Anne Becker spoke in favor of a license fee exemption for War Dogs. She pointed out that the dogs are almost certainly discharged with the soldier they served with, and removing this exemption is disrespectful to the veterans. If funds are a problem, consider removing exemptions as a whole.

Lew Billington, as an anti-war advocate, spoke in favor of a license fee exemption for War Dogs. He said that this might not be the best venue for voicing an anti-war protest.

An unidentified woman asked a question about Section 8 of the Dog Licensing Law, regarding adequate conditions for housing dogs. She wanted to know who would make the decision about “adequate.” Her concern is that this statute is vague. Dietrich responded that this would be a matter for the control officer. Danby contracts through the Tompkins County Animal Control/SPCA.

The public hearing was closed at 7:40pm

Danby Dog Licensing Law:

There was a discussion of reintroducing War Dogs in the class of service dogs exempt from licensing fees. Halton proposed that the Board pass the wording as found in the original Ag & Markets version of the sample law. Connors suggested that the terminology be changed to “military service dog.”

VOTE ON RESOLUTION NO. 130 OF 2010

In Favor: Connors, Halton, Klein, Race, Dietrich

(The body of Local Law #6 is in Appendix A)

Privilege of the Floor:

Joel Gagnon reminded the Board that floodlighting on the front of the Town Hall still needs to be fixed. Supervisor Dietrich said that the maintenance person needs to find a taller ladder.

Highway Department Spreader:

Shawley informed the Board of the need for a new, larger spreader. This spreader will be used on the Highway pickup truck. Carl Seamon will use this spreader during his usual road inspections, saving the Town time and money by not bringing in staff for occasional overtime work. This spreader can hold three times the material of the old spreader. The smaller spreader can be used on another vehicle as back up.

RESOLUTION NO. 132 OF 2010 – AUTHORIZE FUNDS FOR SPREADER.

RESOLVED that the Town Board of the Town of Danby authorizes the Town Highway Superintendent to spend up to \$5,000.00 from the equipment fund for the purchase of a new spreader.

Moved by Klein, Second by Race. The motion passed.

In Favor: Connors, Halton, Klein, Race, Dietrich

Broadband Report:

Dietrich gave an update. The County has convened a group to work on providing high speed access to all areas of the County. Over 100 applicants came forth. Nine were chosen. Dietrich will represent Danby in this group. This group will meet once a month.

Youth Services:

There was a general discussion about the direction for youth services in 2011. Dylan Race and Asher Hockett have scheduled a meeting to talk about past and future programming. Dietrich suggested that a time be scheduled for the first part of 2011, when the Board and representatives of the Recreation Partnership and Youth Services can plan for the future, based on the needs of Danby youth. Race suggested starting by canvassing Danby residents, particularly participants of services, regarding needed and effective programs. This survey might be placed in the Danby Area News.

Halton made a request for data on youth services participation by Danby residents for the past few years. Klein and Race said that information for 2009 from the Rec. Partnership and Cooperative Extension could be made available at the next Board meeting. Joel Gagnon reported on a discussion by the Danby Community Council on this topic. Efforts are being made to fund a part-time youth services position by holding onto remaining 2010 funds.

Board/Committee Vacancies:

There was a short discussion about upcoming vacancies on the Planning Board and BZA. Communication has been received from Joe Schwartz and Asher Hockett. A notice of vacancies was published in the December Danby Area News.

Beeners informed the Board about the need for Planning Board alternates, as written in Danby Local Law #2 of 2007. (Section 3a) “The Town Board shall additionally appoint two (2) alternate

members of the Planning Board to substitute, on an alternating basis...” She advised that the Town Board either appoint alternating members or make an amendment to that local law for “may appoint” in place of “shall appoint.” The Planning Board did not have strong feelings either way. A suggestion from the Planning Board was made that Alternates be seated, active members who do not vote except in cases of conflict of interest or extended absence. A copy of this section of the law will be made available to the Board at the next meeting.

Gas Drilling Task Force:

Halton reported on activities in other towns, including petition drives in Ulysses and Dryden. A survey of leased property in Danby is being updated in order to assess what percentage of land in the town is leased. A number of leases are expiring this year and not being renewed. A petition drive, to gauge Danby intent, may be undertaken in the future.

The Critical Environmental Areas committee is active and progressing on its mapping project. Beeners reported on a day-long event via Ben Altman. This group is looking forward to looking to working with the Conservation Advisory Council.

Emergency Management:

Dietrich spoke about initiatives related to emergency response and gas drilling. He hopes to build communication between the Town and the Fire District. Negative examples in Pennsylvania are being watched. There is a thought to have Town Clerks as essential emergency management coordinators. The City of Ithaca system may be a model. There is concern about the current level of training at the fire departments.

Fire Department Vote:

There was a reminder about the upcoming vote on December 14. There was a short discussion about best methods of presenting information to the public about candidates and issues.

Short/Written Reports:

Reports and information was distributed from the Water District, Code Enforcement Office, Fire District, the Town Attorney, and Justice Office.

Hill Road Correspondence:

Dietrich gave an update. A letter was sent by the Supervisor through the Town Clerk. Dietrich has visited and spoken with all parties. He will visit again to see whether progress has been made.

Adjournment

A motion to adjourn the Meeting was made at 9:12 pm.

No license shall be required for any dog which is under the age of four months and which is not at large, or any dog that is residing in a pound or shelter maintained by or under contract or agreement with the State of New York or any county, city, town or village, duly incorporated society for the prevention of cruelty to animals, duly incorporated humane society or duly incorporated dog protective association.

2. Rabies Vaccination Required.

All applications for a dog license shall be accompanied by a valid rabies certificate signed by a licensed veterinarian or, in lieu thereof, a statement certified by a licensed veterinarian stating that the dog is too young to be vaccinated or because of old age or another reason, the life of the dog would be endangered by the administration of vaccine. A copy of the rabies certificate or certified statement shall be made and attached to the Clerk's copy of the application. In the case of a dog being redeemed or adopted

from a shelter copies shall be forwarded to the Town Clerk. Such records shall be kept on file by the Town Clerk and be made available upon request for rabies and other animal disease control efforts.

3. Spay/Neuter Certificates.

In the case of a spayed or neutered dog, every application shall be accompanied by a certificate signed by a licensed veterinarian or an affidavit signed by the owner, showing that the dog has been spayed or neutered. In lieu of the spay or neuter certificate an owner may present a statement certified by a licensed veterinarian stating that he has examined the dog and found that because of old age or other reason, the life of the dog would be endangered by spaying or neutering. In such case, the license fee for the dog shall be the same as for a spayed or neutered dog as set forth in Part 6 of this Section.

4. License.

New rabies certificates and statements shall be copied and attached to the Town Clerk's copy of the renewal.

c. A spay/neuter certificate shall not be required if one is already on file with the Town Clerk. In a case where the dog has been altered during the preceding year, the certificate shall be presented to the Town Clerk in order to receive the reduced fee for an altered dog. The Town Clerk shall make a copy of the certificate and attach it to the original license on file.

d. The renewal shall expire on the last day of the month in the same month that it was originally issued. (i.e, a license originally issued in January will always expire in January.)

e. Renewing early or late, does not change the renewal month. However, owners having more than one dog may request common renewal dates for their licenses, which may be granted at the discretion of the Town Clerk, provided that all other licensing and renewal requirements are met. No licensing fees will be prorated, refunded, or waved when accommodating such a request.

f. Upon renewal the Town Clerk shall provide a validated license to the owner. The Clerk's copy shall be kept on file in accordance with the Records Retention and Disposition Schedule MU-1 issued by the New York State Archives and Records Administration.

- b. All revenue derived from such fees shall be the sole property of the Town of Danby and shall be used only for controlling dogs and enforcing this Local Law and Article 7 of New York State Agriculture and Markets Law. Said revenue may also be used to subsidize the spaying or neutering of dogs, any facility as authorized under Article 7 of New York State Agriculture and Markets Law, and subsidizing public humane education programs in responsible dog ownership.

 - e. An additional fee may be established by resolution of the Danby Town Board should a dog be identified as unlicensed during an enumeration. Such additional fee shall be the property of the Town of Danby and shall be used to pay the expenses incurred while conducting the enumeration. In the event the additional fees collected exceed the expenses incurred, such excess fees may be used for enforcing this Local Law and for spaying or neutering dogs.
 - f. In addition to the fees set by the Town Board, an assessment of \$3.00 for each unaltered dog and \$1.00 for each altered dog shall be charged for the purpose of carrying out population control efforts as mandated by Article 7 of New York State Agriculture and Markets Law. Money derived from such additional assessment may be used to subsidize the spaying and neutering of cats as well as dogs pursuant to Article 7 of New York State Agriculture and Markets Law.

Such tag shall be a different color, shape and imprint than the Town identification tag and may be provided by the Town at the expense of the owner.
 - f. Lost tags shall be replaced at the expense of the owner at a fee set by the Danby Town Board.
